

2024-2025 CTE Textbook/Instructional Program Adoptions

The following funded and approved SC Department of Education textbooks have been selected by the teachers of these courses at STCTC and are being recommended for Board Approval, per [Board Policy IJJ](#). The following information is provided for further review by board members, as well as any interested parent, community, or student until second reading by the board in March. *Hard copy samples are also available at Strom Thurmond Career and Technology Center and can be requested for review.*
