Three-Column Note-Taking (In Class - During the Tutorial)

Take three-column notes (question/notes/steps or processes) during the tutorial on notebook paper. Keep your notes in your binder to study.

Reflection (In class--After the Tutorial)

I was a student presenter during tutorial today: Yes No

In the space below, elaborate on the following questions as you reflect on the tutorial process: **What was your/the point of confusion? What did you learn about the point of confusion? When/how did you gain a new/greater understanding about the point of confusion? How does this new learning connect to previous learning/experience, yourself and/or the world? What did you find meaningful about the tutorial session?**
