

Stephanie Greco
Learning Specialist & Instructional Coach
stephanie.greco@shabrynmawr.org
610-527-3915 Ext. 226

Stephanie Greco works to support kindergarten through Grade 12. She came to Sacred Heart with over 15 years of experience teaching elementary and special education, primarily with students on the autism spectrum. At SHA, Mrs. Greco can be found working with small groups, co-teaching, meeting with students one-to-one, and teaching the Middle School Academic Skills class. Mrs. Greco also supports the Bienvenue & Beyond classes for Grade 9 students, collaborates with the College Counselor, and is a member of the DEI&B committee. In the spring, Mrs. Greco serves as SHA's CYO Track and Field Assistant Coach.

Mrs. Greco is the biggest cheerleader for all of the SHA students! She is excited to work with all students, seeking ways to organize their materials, plan study schedules or assignments, and develop ways to study content material. She works to empower all SHA students to become strong self-advocates for their educational needs and to support individual student growth within Sacred Heart's Goal Two: a deep respect for intellectual values.

Education:

Bachelor of Science, (Dual Certification) Elementary Education (K-6) and Special Education (N-12), Bloomsburg University of Pennsylvania
Masters of Science, Teaching, Learning and Curriculum, Drexel University
