For ten years, Mrs. Savage has worked as a teacher and reading specialist in Philadelphia and the surrounding suburbs. Prior to SHA, she worked primarily with students with speech and language disorders. A former SHA student, Mrs. Savage happily rejoined the SHA community in 2024 to support students in all three divisions and serve as a member of the Student Success Team. She is grateful for the opportunity to work with students from kindergarten through high school, enjoying the variety and unique skill sets that each group brings. Mrs. Savage is also thrilled to collaborate with the talented SHA teachers to ensure that every student develops their skills and a lifelong love of reading.
