Una nota del director

Saludos familias,

Aquí en BVSD y dentro de nuestra comunidad de Fairview, nos hemos comprometido a apoyar a nuestros estudiantes y familias. [Resolución 24-36, Apoyo a estudiantes y familias](#) . Comuníquese con nuestra decana, **Nicole Hindes** (nicole.hindes@bvsd.org) , o con nuestra enlace comunitario, **Rupali Hofmann** (rupali.hofmann@bvsd.org) para obtener información y apoyo adicionales, según sea necesario.

Nuestra comunidad de Fairview está dedicada a una cultura de pertenencia donde todos los miembros de la comunidad son tratados con cuidado, amabilidad y respeto. Somos una comunidad escolar académica inclusiva.

Nuestra cultura de respeto es un entorno en el que las personas se tratan con dignidad

independientemente de sus antecedentes, creencias o posición. Una cultura de respeto beneficia a todos. Se caracteriza por un comportamiento respetuoso basado en los pilares de la cortesía, la amabilidad y, lo más importante, la empatía. Evitando los prejuicios, la discriminación y el acoso, se caracteriza por la diversidad y la inclusión, donde las personas de todos los ámbitos de la vida son valoradas y se sienten parte de un grupo. (BVSD OnBoard).

Recently, we were made aware of some harmful bullying behavior. Bullying of any kind is unacceptable and will not be tolerated at Fairview High School. We must all work together to [stop bullying](#). We know our families play a crucial role in communicating expectations when it comes to inclusive behavior for students at school. For this reason, we are asking parents/guardians for your help. Please have a conversation with your child so that they understand the impact their conduct has on their peers and the role they all individually play in building an inclusive and respectful school community. This includes the use of slurs and microaggressions regarding race, ethnicity, religion, sexual orientation, social class, ability, gender, culture, home language, or appearance. Slurs of any kind are never “jokes.” Slurs are hateful, hurtful, and harmful to our whole community.

Please, encourage your child to speak up and report when they see or hear of inappropriate behavior, including slurs or microaggressions. **As always, they are encouraged to connect with a trusted adult, including their teacher, counselor, or an administrator.** Anyone can [make a report](#). If there is a threat to safety, an anonymous report can also be made via [Safe2Tell](#). All student and community reports are taken seriously and will be investigated; students found responsible for bullying, harassment, discrimination, and/or harmful impact to others will have consequences and potential restorative opportunities in line with district policy.

It takes all of us standing up against bias and hate to make our school and our community a welcoming and supportive place for everyone. We ask that our community comes together to make sure that bullying and discrimination are not a part of the Fairview High School experience.

[Please reach out](#) to any administrator if you have any questions or concerns so that we can support you! As always, I encourage you to complete our [Fairview Feedback Form](#) with any questions or concerns you may have. We value your input as we continue to grow and improve together.

Thank you for your partnership,
Dr. Scarlet Chopin
Principal, Fairview High School

Fairview Feedback Form 1/24

I have received many inquiries about our Bell Schedule for next year. There are many questions and concerns about the possibility that Fairview may transition to a 7 Period Bell Schedule. As always, I encourage you to complete our [Fairview Feedback Form](#) with any questions or concerns you may have. We value your input as we continue to grow and improve together.

Thank you for your support of Fairview!

Dear Parents,

If your student had an appointment (doctor, hospital, dentist, DMV, passport, etc.) and you can obtain documentation of that visit, please submit it for the specific day or period after the appointment. This will help ensure your student's attendance record is updated accurately, preventing absences from accumulating against the 10 allowed and protecting their grades. Thank you for your cooperation!

Please note that all calls and emails are reviewed on a case-by-case basis by our attendance staff, and it may take up to 48 hours for your call to be addressed.

Thank you for your understanding and patience as we work to address every request in a timely manner.

We've sent over two hundred panels to Ukraine over the last two years! Please join us in Zoom calling with Ukrainians all around Ukraine to discuss the needs and challenges facing a country being invaded. We'll follow up by converting solar panels to portable charging stations and adding messages of support. Your support goes a long way in letting Ukraine know that the world has not forgotten them and that what Russia is trying to do is unacceptable.
