Key School Updates and Reminders

Parent/Teacher Conferences is Next Week- February 10th - 13th

Here are some reminders for our families, caregivers, and staff to help make the most of this important time together:

- Please arrive at your conference appointment on time. The five minutes of conference time begins when it is scheduled, and teachers/staff will not be able to extend a conference if it begins late.
- Arrive fully present during the conference time. Individuals who join the conference from remote locations are asked to limit background sound and distractions so the conversation

can be fully focused on student success in classes. If a parent/caregiver misses a conference slot, we encourage you to sign up for a time on another day. Sign ups must happen 24 hours before the next conference or that window will automatically close.

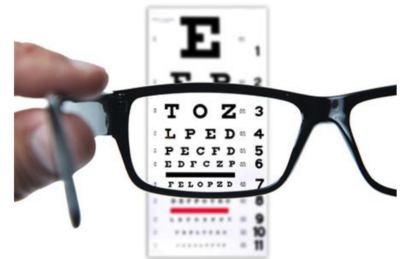

- If there are no more slots, it may not be possible to get another conference scheduled. Our staff and teachers' time is valuable and limited. We ask families to attend the appointments they've set whenever possible to respect the demanding schedule of our staff.

We do hope you take the opportunity to connect with our staff and teachers during this upcoming conference week!

Fairview Vision & Hearing Screening, Tuesday, 02/11/2025

Students selected for screenings include **9th graders during their Language Arts class, 10th-12th graders enrolled in Soc. Dev., Learning Lab, or Math Lab, new BVSD students, and those previously monitored by BVSD.**

Only students with potential vision or hearing concerns will be contacted after the screening; no contact will be made if both screenings are passed. Questions can be directed to Judy Stephens at judy.stephens@bvsd.org or (720) 561-3336.
