§

KNOW ALL MEN BY THESE PRESENTS:

THIS SUPERINTENDENT'S EMPLOYMENT CONTRACT ("Contract") is made and entered into by and between the **Board of Trustees** (the "Board") of the **Hurst-Euless-Bedford Independent School District** (the "District") and **Dr. Joseph (Joe) Harrington** (the "Superintendent").

WITNESSETH:

NOW, THEREFORE, the Board and the Superintendent, for and in consideration of the terms hereinafter established and pursuant to Chapter 11, Subchapters D and E, Section 11.201 and Chapter 21, Subchapter E of the Texas Education Code ("TEC"), have agreed, and do hereby agree, as follows:

I. TERM

1.1 Term. The Board, by and on behalf of the District, does hereby employ the Superintendent, and the Superintendent does hereby accept employment as Superintendent of Schools for the District for a term commencing on January 1, 2025, and ending on August 31, 2029. The District may, by action of the Board, and with the consent and approval of the Superintendent, but not until the Superintendent's second formal appraisal, extend the term of this Contract as permitted by state law. Failure to extend this Contract shall not be considered a contract nonrenewal under the law.

1.2 No Tenure. The Board has not adopted any policy, rule, regulation, law, or practice providing for tenure. No right of tenure is created by this Contract. No property interest, express or implied, is created in continued employment beyond the Contract term.

2.1 Duties of Superintendent. The Superintendent is the educational leader and chief executive officer of the District. He shall faithfully perform the duties of the Superintendent of Schools for the District as prescribed by law, Board policy, the strategic plan, and the job description, and as may be lawfully assigned by the Board. He shall comply with all lawful Board directives; state and federal law, rules, and regulations; and District policy, rules, and regulations as they exist or may hereafter be amended. - (j) preparing recommendations for policies to be adopted by the Board and overseeing the implementation of adopted policies;
- (k) developing or causing to be developed appropriate administrative regulations to implement policies established by the Board;
- (l) providing leadership for the attainment and, if necessary, improvement of student performance in the District based on the indicators adopted under TEC Sections 39.053 and 39.301 and other indicators adopted by the Commissioner or the District's Board;
- (m) organizing the District's central administration;
- (n) consulting with the District-level committee as required under TEC Section 11.252(f);

- (r) performing any other duties assigned by action of the Board.

Except as provided in this Contract, the Superintendent shall devote his full time and attention to his duties. He shall perform the duties of the Superintendent of Schools for the District with reasonable care, diligence, skill, and expertise. All duties assigned to the Superintendent by the Board shall be appropriate to and consistent with the professional role and responsibility of the Superintendent.

2.2 Professional Certification. The Superintendent shall, during the term of this Contract, and any renewal or extension thereof, hold and maintain a valid certificate required of a superintendent by the State of Texas and issued by the State Board for Educator Certification or the Texas Education Agency and any other certificates required by law. If the Superintendent's certification expires, is cancelled, or is revoked, then this Contract is void. The Superintendent represents that any records or information provided in connection with his employment application, certification, employment history, and payroll and personnel records are true and correct. Any materially false statements, misrepresentations, omissions of requested information knowingly made, or fraud by the Superintendent in or concerning any required records or in the

employment application may be grounds for termination or nonrenewal of this Contract, as applicable.

2.3 Criminal History Record Check. At the beginning of this Contract, and at any time during this Contract, the Superintendent shall submit to a review of his national criminal history record information, if required by law, the District, the Texas Education Agency, or the State Board for Educator Certification. The Superintendent understands that a criminal history record acceptable to the Board, at its sole discretion, is a condition precedent to this Contract. The Superintendent also agrees that, during the term of this Contract, the Superintendent shall notify the Board in writing of any arrest or of any indictment, conviction, no contest or guilty plea, or other adjudication of the Superintendent for any felony, any offense involving moral turpitude and offenses set forth in Board Policy DH (Local). The Superintendent agrees to provide such notification in writing to the Board of Trustees within three calendar days of the event, per Board policy.

2.4 Reassignment. The Superintendent is employed specifically and solely to perform the duties of Superintendent of Schools for the District and may not be reassigned from the position of Superintendent to any other position in the District except by mutual written agreement of the parties.

2.5 Board Meetings. Except for illness or absences in accordance with District policies, the Superintendent shall attend all meetings of the Board, both public and closed, except for those closed meetings devoted to the consideration of any action or lack of action on the Superintendent's Contract, or the Superintendent's evaluation, or for purposes of resolving conflicts between individual Board members, or when the Board is acting in its capacity as a tribunal or when the Board reasonably believes it is in the best interests of the District. Further, the Superintendent shall provide recommendation(s) and/or information as to each of the items of business considered at each meeting as needed or requested by the Board.

2.6 Criticisms, Complaints, and Suggestions. The Board, individually and collectively, shall refer in a timely manner all substantive criticisms, complaints, and suggestions called to the Board's attention either: (a) to the Superintendent for study and/or appropriate action, and the Superintendent shall refer such matter(s) to the appropriate District employee or shall investigate such matter(s) and shall within a reasonable time inform the entire Board of the results of such efforts; or, (b) to the appropriate complaint resolution procedure as established by Board policies.

2.7 Indemnification. To the extent it may be permitted to do by applicable law, including, but not limited to Texas Civil Practice & Remedies Code Chapters 101 and 102, the District does hereby agree to defend, hold harmless, and indemnify the Superintendent from any and all demands, claims, suits, actions, judgments, expenses and attorneys' fees incurred in any legal proceedings brought against Superintendent in the Superintendent's individual or official capacity as an employee and as Superintendent of the District, providing the incident(s), which is (are) the basis of any such demand, claim, suits, actions, judgments, expenses and attorneys' fees, arose or does arise in the future from an act or omission of Superintendent as an employee of the District, acting within the course and scope of Superintendent's employment with the District; excluding, however, any such demand, claim, suits, actions, judgments, expenses and attorneys' fees for those claims or any causes of action where it is determined that Superintendent committed official misconduct, or committed a willful or wrongful act or omission, or an act or omission constituting gross negligence, or acted in bad faith, or committed any criminal conduct; excluding any costs, fees, expenses or damages that would be recoverable or payable under an insurance contract held either by the District or by Superintendent, and excluding any payments prohibited

by Texas Local Government Code Section 180.008. The selection of Superintendent's legal counsel shall be with the mutual agreement of Superintendent and the District if such legal counsel is not also District's legal counsel. A legal defense may be provided through insurance coverage, in which case the Superintendent's right to agree to legal counsel provided for him will depend on the terms of the applicable insurance contract. To the extent this Section 2.6 exceeds the authority provided and limitations imposed by Texas Civil Practice & Remedies Code, Chapter 102, or Texas Local Government Code Section 180.008, it shall be construed and modified accordingly. The provisions of this Section 2.6 shall survive the termination of this Contract.

2.7.1 During the term of this Contract, the Superintendent agrees to fully cooperate with the District in the defense of any and all demands, claims, suits, actions, and legal proceedings brought against the District, regardless of whether the Superintendent is named as a party.

2.7.2 After termination of this Contract, the Superintendent agrees to provide assistance to and cooperate with the District, its Board, Trustees, agents, and attorneys in response to, or in defense of, any demand, claim, complaint, suit, action or legal proceeding brought against the District, Board, its Trustees, or agents, arising from any acts or events alleged to have occurred during the term of the Superintendent's employment with the District, at no additional expense to the District other than reimbursement to the Superintendent for his/her documented reasonable and necessary out-of-pocket expenses, plus reimbursement of any salary lost by the Superintendent by virtue of taking time off from his/her then current employment to assist the District at its request. If the Superintendent is not employed at the time, the District shall compensate the Superintendent at fifty percent (50%) of his daily rate under the most recent Contract. Requests for assistance from the Superintendent with respect to such matters shall be made through the Board of Trustees' President, any successor superintendent, and/or legal counsel for the District, and the amount to be reimbursed to the Superintendent shall be mutually agreed upon in advance.

2.8 **Duties of Board/Governance.** The District is governed by the Board who, acting as a body corporate; (1) governs and oversees the management of the District; and (2) performs all duties required by federal and state law, rule, and regulation, including, but not limited to, all duties and responsibilities detailed in Texas Education Code Chapter 11, Subchapter D. Unless lawfully authorized by the Board, a member of the Board may not, individually, act on behalf of the Board, except as provided by law. The Board may act only by majority vote of the members present at a meeting held in compliance with Chapter 551 of the Texas Government Code, at which a quorum of the Board is present and voting. The Board shall comply with all Board policies, rules, regulations, and state and federal laws, rules and regulations. The Board also recognizes that it is a collective body, and each Board Member recognizes that his or her power as a Board Member is derived from the collective deliberation and action of the Board as a whole in a duly-constituted meeting and that there is no individual authority to give direction to the Superintendent or any District staff member regarding the management of the District or the solution of specific problems, except as provided by law, Board policy, or this Contract and; provided that, when acting in the Board member's official capacity, any individual Board member has an inherent right of access to information, documents, and records maintained by the District.

2.9 **Residency.** The Superintendent shall establish and maintain a residence within the District during the term of this Contract, including any extensions thereof.

III. COMPENSATION

3.1 **Salary.** The District shall provide the Superintendent with an annual salary in the sum of Three Hundred and Twelve Thousand, and 00/100 Dollars (\$312,000.00), which amount shall be automatically increased each year on July 1st, starting on July 1, 2025, by an amount equal to the highest percentage raise given to the District's teachers. This annual salary rate shall be paid to the Superintendent in twelve (12) equal monthly installments consistent with the District's standard payroll practices, and subject to all appropriate withholdings.

3.2 **Salary Adjustments.** At any time during the term of this Contract, the Board may, in its discretion, review and adjust the salary of the Superintendent, but in no event shall the Superintendent be paid less than the salary set forth in Section 3.1 of this Contract except by mutual agreement of the two parties. In such event, the parties agree to provide their best efforts and reasonable cooperation to execute a new contract incorporating the adjusted salary.

3.2.1 **Financial Exigency.** Without waiving any Constitutional and/or other legal challenges by the Superintendent, if the Board declares a financial exigency under Texas Education Code Section 44.011, then the statute allows the Board to choose to amend this Superintendent's Contract. If this Contract is amended, then the Superintendent may choose to accept the amended Contract or resign without penalty on the provision of reasonable notice.

3.2.2 **Widespread Salary Reduction.** Without waiving any Constitutional and/or other legal challenges by the Superintendent, if the Board implements a widespread salary reduction under Texas Education Code Section 21.4032, then the Superintendent's annual salary shall be reduced by the percent or fraction of a percent that is equal to the average percent or fraction of a percent by which teacher salaries have been reduced.

3.2.3 **Furlough.** Without waiving any Constitutional and/or other legal challenges by the Superintendent, if the Board implements a furlough under Texas Education Code Sections 21.4021 and 21.4022, then the Superintendent shall be furloughed for the same number of days as other contract personnel and the Superintendent's salary shall be reduced in proportion to the number of furlough days.

3.3 **Vacation, Holidays, and Personal Leave.** The Superintendent will earn the greater of fifteen (15) vacation days annually or the same number of days of vacation authorized by policies adopted by the Board for administrators on twelve-month contracts, based on time served in the District, the days to be taken in a single period or at different times. The vacation days taken by the Superintendent will be taken at such time or times as will least interfere with the performance of the Superintendent's duties and will be scheduled with prior written notice to the Board president. Accrued but unused vacation days shall accumulate and carry forward from year to year during the term of this Contract, subject to the limitations of Board Policy DED (Local) and (Regulation). At retirement or when the Contract is terminated, either voluntarily or involuntarily, the District shall pay in a lump sum to the Superintendent any accrued but unused vacation days at the Superintendent's then-current daily rate of pay. The daily rate of pay shall be calculated by dividing the Superintendent's yearly TRS creditable compensation, including the additional compensation identified in Section 3.12, by 236.

The Superintendent shall observe the same legal holidays and breaks as provided by the Board's annually-adopted calendar for administrative employees on twelve-month contracts. The Superintendent is hereby granted the same personal leave benefits as authorized by Board policies

for administrative employees on twelve-month contracts, to be taken in a single period or at different times during the term of this Contract.

3.4 Insurance. The District shall pay the same premiums for hospitalization and major medical insurance coverage for the Superintendent as it does for other administrators on twelve-month contracts, pursuant to the group health care plan provided by the District for its administrative employees.

3.5 Professional Growth. Except as set forth herein, the Superintendent shall devote the Superintendent's full time, attention, and energy to the direction, administration, and supervision of the District. The Board, however, encourages the continued professional growth of the Superintendent through the Superintendent's active attendance at and participation in appropriate professional meetings at the local, regional, state, and national levels. The Board shall encourage the participation of the Superintendent in pertinent education seminars and courses offered by public or private institutions, or by educational associations, as well as the participation in informational meetings with those individuals whose particular skills, expertise, or backgrounds would serve to improve the capacity of the Superintendent to perform the Superintendent's professional responsibilities for the District. In its encouragement of the Superintendent to grow professionally, the Board shall permit a reasonable amount of time for the Superintendent, as the Superintendent and the Board deem appropriate, to attend such seminars, courses, or meetings. The District shall pay the Superintendent's membership dues to the American Association of School Administrators and the Texas Association of School Administrators. The District shall pay the Superintendent's dues for other memberships necessary to maintain and improve the Superintendent's professional skills, with prior notice to the Board president, and in accordance with the adopted budget. The District shall bear the reasonable cost and expense for registration, travel, meals, lodging, and other related expenses for such attendance and membership, subject to prior notice to the Board president and in accordance with the adopted budget and Board policies and District practices related to expense reimbursement.

3.6 Civic Activities. The Board encourages the Superintendent to become a member of and participate in community and civic affairs, including the chamber of commerce, civic clubs, governmental committees, and educational organizations. The Board concludes that such participation will serve a legitimate purpose related to the educational mission of the District. The Superintendent may hold offices or accept responsibilities in these professional organizations, provided that such responsibilities do not interfere with the performance of his duties as Superintendent. Prior to engaging in these activities, the Superintendent will notify the Board in writing of the activity. The Board will notify the Superintendent if the activity presents a conflict or interferes with the performance of his duties as Superintendent. The District shall pay directly or reimburse the Superintendent for the cost of membership in all local civic organizations in which the Superintendent participates and related travel outside of the District, subject to advance notice to the Board president, and in accordance with the adopted budget, Board policies, and District practices related to expense reimbursement.

3.7 Outside Consultant Activities. With the prior written consent of the Board, the Superintendent may serve as a consultant or undertake speaking engagements, writing, teaching, or other professional duties and obligations outside the District (referred to collectively herein as "Consulting Services") that do not conflict or interfere with the Superintendent's professional responsibilities to the District. For any such outside employment, the Superintendent agrees to comply with applicable ethics rules, laws, and Board policy, including, but not limited to, the reporting of potential and actual conflicts of interest. The Superintendent may accept a reimbursement of expenses for such Consulting Services at no expense to the District.

Consulting Services provided by the Superintendent under the terms and conditions of this paragraph must be consistent with state and federal law. The Superintendent agrees to provide to the District information related to income from such Consulting Services as necessary for financial reporting requirements.

3.8 Expenses. The District shall pay or reimburse the Superintendent for reasonable expenses incurred by the Superintendent in the continuing performance of the Superintendent's duties under this Contract. The District agrees to pay the actual costs incurred by the Superintendent for District-related travel. Such actual costs may include, but are not limited to, gasoline, hotels and accommodations, meals, rental car, and other expenses incurred in the performance of the business of the District, in accordance with the adopted budget. The Superintendent shall comply with all procedures and documentation requirements in accordance with the adopted budget, Board policies, and District expense reimbursement practices.

3.9 Laptop/Mobile Telephone. The District shall provide a laptop computer for the Superintendent's business and personal use, at the sole cost and expense of the District; such use to comply with law and District policies related to applicable technology use agreements. Personal use is permitted, provided that such personal use is legal and does not interfere with the use of the laptop for business purposes. The laptop shall remain the property of the District. The Superintendent shall maintain a personal account for mobile telephone service and shall not open an account in the name of the District. The Superintendent shall have total responsibility for payment of such personal account and the District shall have no financial obligation or responsibility related to said mobile telephone account. The Superintendent understands that information stored in his cell phone, computer, or other device is subject to public disclosure under the Texas Public Information Act if such information is related to the public business of the District or to his duties as Superintendent. Notwithstanding the location of personal data on the cell phone, computer, or other device, whether owned by the District or the Superintendent, the parties agree that any personal or private information of the Superintendent contained on the cell phone, computer, or other devices containing such data or information shall be deemed private and the Superintendent's sole property; provided, however, that it shall be the responsibility of the Superintendent to assert, and to bear any costs of asserting, privacy or other confidentiality privileges or rights as to any such data or information.

3.10 Supplemental Retirement Plan. During the term of this Contract, the District shall add to the Salary of the Superintendent the amount of one hundred percent (100%) of the annual maximum voluntary contribution allowable under Section 402(g) of the Internal Revenue Code ("The Code") for a 403(b) and/or 457(b) Plan, at the beginning of the Contract year, as indexed, including the age 50 catch-up, if applicable ("Additional Salary"). One-twelfth of this amount shall be paid as a monthly salary deferral contribution, at the election of the Superintendent, to a plan established by the District under Section 403(b) and/or Section 457(b) of the Code. In the event the Superintendent executes a salary deferral agreement in accordance with the requirements of Sections 403(b) and/or 457(b) of (Code in at least the amount of the Additional Salary, then the Additional Salary shall be paid as a salary deferral contribution ("Salary Deferral Contribution").

Under and pursuant to applicable Internal Revenue Service rules, the Superintendent shall have the option to elect to receive the Additional Salary in cash rather than as a Salary Deferral Contribution. All such Salary Deferral Contributions contemplated herein shall be paid to a plan established by the District under Section 403(b) and/or Section 457(b) of the Code. Such plans shall include investments as allowed under Sections 403(b), 403(b)(7) and/or 457(b) of the Code, respectively, and the investments for the Superintendent's accounts shall be solely at his discretion. The Superintendent shall always be 100% vested in his account under the 403(b)

and/or 457(b) plan. The Salary Deferral Contributions contemplated herein shall be treated as salary deferrals under the Code and shall be reported as "creditable compensation" by the District for purposes of the Teacher Retirement System of Texas. No payments under this Section shall be made after the Superintendent's employment terminates.

3.11 Texas Teacher Retirement System. For performance of Superintendent duties, the District shall supplement the Superintendent's salary by an amount equal to the Superintendent's portion of the member contribution to the Texas Teacher Retirement System ("TRS") during the Term of this Contract, including any extensions thereof. This supplement shall include both the retirement and TRS-Care parts of the TRS member contribution, as applicable. This additional salary supplement for services rendered shall be paid to the Superintendent in regular monthly payroll installments, minus all applicable withholdings, and shall be reported as "creditable compensation" by the District for purposes of TRS, to the extent permitted by TRS. The District and its Board do not represent, guarantee, or promise the treatment or consequences that TRS will impose for this additional compensation; such determination shall be made solely by TRS.

3.12 Longevity Pay. As of January 1, 2025, the Superintendent will have completed 11 years and 6 months of service with the District. To encourage continuity of leadership in the District, the District wishes to provide additional compensation to the Superintendent as a reward for reaching certain longevity goals. These longevity payments shall be made as follows:

- a. If, on January 1, 2025, the Superintendent is employed with the District, then the District shall pay the Superintendent, as additional compensation for longevity, an additional ten percent (10%) of his monthly salary per month for twelve months beginning on January 1, 2025.
- b. If, on January 1, 2026, the Superintendent is employed with the District, then the District shall pay the Superintendent, as additional compensation for longevity, an additional twelve percent (12%) of his monthly salary per month for twelve months beginning on February 1, 2026.
- c. If, on January 1, 2027, the Superintendent is employed with the District, then the District shall pay the Superintendent, as additional compensation for longevity, an additional fourteen percent (14%) of his monthly salary per month for twelve months beginning on February 1, 2027.
- d. If, on January 1, 2028, the Superintendent is employed with the District, then the District shall pay the Superintendent, as additional compensation for longevity, an additional fifteen percent (15%) of his monthly salary per month for twelve months beginning on February 1, 2028.
- e. The additional compensation described in this Section 3.12 shall be paid to the Superintendent in regular monthly payroll installments, shall be treated as additional compensation paid for longevity as described in the Title 34 Texas Administrative Code Section 25.21.(c)(3) and shall be reported as "creditable compensation" by the District for purposes of TRS, to the extent permitted by TRS. The District and its Board do not represent, guarantee, or promise the treatment or consequences that TRS will impose for this additional compensation. Such determination shall be made solely by TRS.

3.13 **Benefits.** In addition to the benefits expressly set forth herein, the District shall provide other benefits to the Superintendent as provided to District employees by state law and Board policies. The Board reserves the right to amend its policies at any time during the term of this Contract to reduce or increase the benefits not expressly provided herein, at the Board's sole discretion.

IV. REVIEW OF PERFORMANCE

4.1 **Time and Basis of Evaluation.** The Board shall evaluate and assess in writing the performance of the Superintendent through formative and summative assessments each year during the term of this Contract. The Board's evaluation and assessment of the Superintendent shall be reasonably related to the duties of the Superintendent as outlined in law, Board policy, the Superintendent's job description, the strategic plan, and lawful Board directives, and shall be based on the District's progress towards accomplishing the District Goals.

4.2 **Confidentiality.** Unless the Superintendent expressly requests otherwise in writing, the evaluation of the Superintendent shall always be conducted in closed session. All documents evaluating the Superintendent shall be considered confidential to the extent permitted by law. Nothing herein shall prohibit the Board or the Superintendent from sharing the content of the Superintendent's evaluation with their respective legal counsel.

4.3 **Evaluation Format and Procedures.** The evaluation format and procedure shall be in accordance with the Board's policies and practices, and state and federal law and regulations. If the Board determines that the performance of the Superintendent is unsatisfactory in any respect, it shall describe in writing, in reasonable detail, specific instances of unsatisfactory performance; provided, however, the Board shall not be required to wait for an evaluation period in order to terminate the Superintendent's contract for good cause as provided in paragraph 6.4. The evaluation shall include recommendations as to areas of improvement in all instances where the Board deems performance to be unsatisfactory. A copy of the written evaluation shall be delivered to the Superintendent. The Superintendent shall have the right to make a written response to the evaluation within thirty (30) days of receipt of the written evaluation from the Board. That response shall become a permanent attachment to the evaluation in the Superintendent's personnel file. Within sixty (60) days of the delivery of the written evaluation to the Superintendent, the Board shall meet with the Superintendent to discuss the evaluation. The Board shall devote a portion of, or all of, two closed sessions annually to a discussion of the evaluations and the working relationship between the Superintendent and the Board. In the event the Board deems that the evaluation instrument, format, and/or procedure is to be modified by the Board and such modifications would require new or different performance expectations, such modifications must be adopted with input from the Superintendent and the Superintendent shall be provided a reasonable period to demonstrate such expected performance before being evaluated. Nothing herein shall be construed to prevent or postpone a Board decision to terminate the Superintendent's contract during the contract term for good cause as provided in paragraph 6.4.

V. EXTENSION OR NONRENEWAL OF EMPLOYMENT CONTRACT

5.1 **Extension/Nonrenewal.** Extension and/or nonrenewal shall be in accordance with Board policy, Texas Education Code Chapter 21, Subchapter E, and applicable law.

VI. TERMINATION OF EMPLOYMENT CONTRACT

6.1 **Mutual Agreement.** This Contract may be terminated by the mutual agreement of the Superintendent and the Board in writing upon such terms and conditions as may be mutually agreed upon.

6.2 **Retirement or Death.** This Contract shall be terminated upon the retirement or death of the Superintendent.

6.3 **Suspension for Good Cause.** The Board may suspend the Superintendent without pay during the term of this Contract for good cause as determined by the Board, pursuant to Texas Education Code Chapter 21.

6.4 **Dismissal for Good Cause.** The Board may dismiss the Superintendent during the term of the Contract for good cause as determined by the Board, pursuant to Texas Education Code Chapter 21. The term "good cause" is not defined by law, but includes the failure of the Superintendent to perform the duties in the scope of his employment that a person of ordinary prudence would have done under the same or similar circumstances, and includes, but is not limited to:

- (a) Failure or refusal to fulfill duties or responsibilities as set forth under the terms and conditions of this Contract, state or federal law, or Board policy, or lawful Board directives;
- (b) Intentional violation of state or federal laws, Board policy, or lawful Board directives;
- (c) Incompetence or inefficiency in the performance of required or assigned duties as documented by evaluations, supplemental memoranda, or other written communication from the Board; provided, however, the terms and conditions of this paragraph shall not justify good cause unless the Board has provided the Superintendent a reasonable opportunity to remediate any incompetency or inefficiency that is remediable;
