

URSULINE ACADEMY OF DALLAS

Ursuline Academy of Dallas Financial Assistance Program for 2025-2026

The Ursuline Academy of Dallas Financial Assistance Program is designed to offer assistance to students who are in need of financial support. In 2024-2025, the Academy will grant approximately \$1,890,000 in financial assistance and merit awards to 207 students, representing approximately 24% of the student body.

Admission to Ursuline and the awarding of Financial Assistance are two separate decisions. If a student is accepted, Ursuline then determines the student's need, the family's ability to pay, and the availability of financial assistance funds. When a student demonstrates need, it is the intent of this program to share the cost of education with the student and her family.

Eligibility

To be eligible for assistance, a family/student must demonstrate financial need, meet the entrance requirements of the Academy, and be current with all financial obligations due.

Renewals

Every effort will be made to award some tuition support to eligible candidates. Students may be eligible for a grant each of their four years at Ursuline; however, **the students must apply each year**. Awards are not automatically renewed.

How to Apply

Ursuline uses the Grant & Aid Assessment through FACTS, a third party organization which analyzes the financial situation of applicants based on a number of factors. Families applying for financial aid must submit their FACTS Grant & Aid Assessment online at:
