

Meet your Career Readiness Specialist – CRY-ROP

Hi everyone! I am Ms. Anaya, your CRS. I graduated from the University of Redlands in 2015 with a Bachelor of Arts degree in Psychology. I enjoyed my time working as a substitute teacher prior to becoming a CRS for the Colton-Redlands-Yucaipa Regional Occupational Program. I love working with young adults in hopes of preparing them for a future where they can give back to their communities, both small and large. Currently, I am studying to attain a Master of Science degree in Educational Counseling at the University of La Verne, in order to become a dedicated school counselor.

When I am not at school, I enjoy spending time with my family, visiting new places, going to Dodgers games, and playing with my two pups! Most of the time you will find us at the nearest frozen yogurt shop.

I am here to help! Please contact me if you have any questions or comments.
