#### Triennial Assessment

Gaylon Johnson

- Due this Spring. I’ve sent out requests for school-site feedback. Each site needs to be in compliance with Wellness Policy. Developed survey to send out for this year. Many responses so far this year. Posting findings in Spring. Working on improving for this year.
- **In 2022** we had subcommittee mtgs. For members to participate in person. Not necessary this year but we’ll need participation from representatives for THIS YEAR. Will send out docs to get this info. If we need a mtg., we’ll schedule one.
- We didn’t complete 3 yrs ago (did most and what we could – we were new). Got feedback from CDE letting us know what to change next time (this spring).
- No assessments from schools were turned in 2022.
