

# FOUNDATION BOARD VACANCY

All Saints' College Foundation Board (established in 1987 and with investments in excess of \$30m) invites expressions of interest for a current vacancy from professionals with a strong investment background.

Guided by its strategic plan, the Foundation's Board of Directors meets five times per year, with its Investment Committee meeting three times per year, and is a group of volunteers committed to prudently managing the Foundation's investments along with our advisor (Mercer), while helping to grow a culture of philanthropy within the ASC community.

For further information about this opportunity to join our dynamic and innovative community, and / or to register your interest, including details of your relevant background and experience, **please contact Foundation Chair, Mark Balding, at [chair@allsaints.wa.edu.au](mailto:chair@allsaints.wa.edu.au)**
