Are you an incumbent Delegate? ☐ Yes ☒ No **If yes, year you became Delegate:**

Why are you interested in becoming a Delegate? Please describe the skills and experiences you would bring to the Delegate Assembly. I have represented Modoc Joint Unified School District for the past 21 years as a school board member and I believe my experience would benefit your organization. As the president of our board for the last 13 years, I understand the rural community and the needs of our students. My passion is to help students become successful individuals by giving them the education and life skills they need to succeed. My experience with running a successful construction company has helped our district become financially sound and knowledge of contracts has been beneficial to our district. I would like to help other small districts with any problems or struggles they are facing. it is important to me to have our voices heard in Sacramento.

I have been on MJUSD school board for 21 years, Board President for 13 years.
Member of Alturas City Fire Dept. 34 years
Member of Elks Alturas. 30 years
Member of Modoc Sherrif Posse. 25 years
Parish council for Sacred Heart Parish Church
Coached Football, Basketball, Baseball

Loss Of local control due to government overreach. Sacramento is out of touch with rural schools but continues to force bad policy on them. They have no idea of conditions on the ground but think they do.
