

Gulf Shores Gives Back February 27, 2025

The Mental Health Advisory Committee along with principals and district administrators began planning Gulf Shores Gives Back. This community-wide, school-sponsored day of service will be held on 2/27/25 (Rain date is 2/28/25). This event is an opportunity for us to serve ur community together and to thank those who have done so much for us.

Gulf Shores Gives Back is a direct reflection of our core values such as “fostering inclusive, engaging members of society” and “engaging the Gulf Shores community in the educational experience”. We hope to make Gulf Shores Gives Back an annual event to provide our students with a consistent opportunity to serve others and to develop a lifelong habit of giving back to our community.

We appreciate your willingness to participate and are grateful that we can work together to provide our students with this valuable experience.

Before we begin our service projects on 2/27/25, the entire school system along with community volunteers will gather for a kick-off pep rally. We will all wear our Gulf Shores Gives Back T-Shirts that day.

How will students participate in Gulf Shores Gives Back?

Students and teachers have signed up for service projects across our city. Click [HERE](#) to see a list of service projects our students will complete on 2/27/25. Students and/or GSCS employees who have additional service project ideas for which they would like to volunteer should contact their school's counselor(s) or Chair of Event: Dr. Stephanie Harrison sharrison@gsboe.org.

How can parents and/or community members help?
