Southwest Dubois County School Corporation

NOTE: In addition to publishing, please send the notice via first-class mail to the County Clerk and any organization which has requested a notice of preliminary determination.

As the SW Dubois School Board continues to review various options for a possible middle school bond project, members have determined it is in the best interest of project success to postpone Thursday's scheduled bond hearing. The Board is committed to being the best possible stewards of school funds as they seek to create strong learning environments for our community's children. Additional time to review the possible project will give all parties involved an opportunity to refine project options and create the strongest possible information for a future hearing.
