Bellevue School District
Absence Policy & Procedure Information
3122

Students are expected to attend all assigned classes each day. School staff will keep a record of absences and tardies to document a student's excused and unexcused absences and tardies.

Regular school attendance is necessary for mastery of the educational program provided to students of the district. Students at times may appropriately be absent from class.

The following are valid excuses for absences:

1. Participation in a district or school approved activity or instructional program
2. Illness, health condition or medical appointment
3. Family emergency, including but not limited to a death or illness in the family
4. Religious or cultural purpose including observance of a religious or cultural holiday or participation in religious or cultural instruction
5. Principal (or designee) and parent/guardian mutually agreed upon approved activity

The school principal (or designee) has the authority to determine if an absence meets the above criteria for an excused absence.

Absence for parental-approved activities will be counted as excused for purposes agreed to by the principal and parent/guardian for a maximum of five days. All such absences shall be prearranged. Failure to prearrange the absence may result in the absences being unexcused.

- After five excused absences in a month, or ten or more excused absences in the school year, the school district shall schedule a conference with the parent for the purpose of identifying the barriers to the child's regular attendance. A conference is not required in the event of excused absences that have been prearranged or a doctor's note has been provided.
- After two unexcused absences in a month during the current school year, a conference with parent/guardian will be held.
- After five unexcused absences in a month, the district will enter into an agreement with the parent/guardian that establishes school attendance requirements.
- After seven unexcused absences in a month during the current school year or upon the tenth unexcused absence during the current school year, the school will file a truancy petition per RCW 28A.225.010. Parents will be contacted by Glenn Hasslinger, Director of Pupil Management, Bellevue School District.
- After 20 consecutive absences there is a risk of your student being withdrawn from their school or program.

I have read the above information.
