## 2025 Annual Report

Dear Blue Mountain Union School District Community:

We wanted to let you know that there was a printing error made by the publisher of the 2025 Annual Report. The error is on page 16 where the following lines should have read:

**Estimated Grant Expenses:**

2024-2025 \$334,918	2025-2026 \$453,359
---------------------	---------------------

**State and Local Revenues for General Fund:**

2024-2025 (\$290,000)	2025-2026 (\$345,085)
-----------------------	-----------------------

**Prior Year Fund Balance:**

2024-2025 (200,000)	2025-2026 (\$433,590)
---------------------	-----------------------

The correct numbers were verified and submitted but were not entered correctly in the final printing of the report. It has been verified that all other columns and totals were not affected by the error and are correct. All other tax calculations and the annual meeting warning are also correct and were not affected by this error.

The updated and corrected version of the 2025 Annual Report has been posted to the Blue Mountain Union School District Board website at:

A copy of the corrections are also included on the reverse of this letter.
