**FEBRUARY 18 | 5:30 - 7:30**

Please Save the Date and plan on joining us Tuesday, February 18, 2025 from 5:30 to 7:30 for the Rankin County School District Annual Transition Fair presented by the Special Education Department. The RCSD Transition Fair is for any family member of a student with an IEP or 504 Plan looking for resources to support their child through the remainder of school and after high school. We will have a variety of vendors providing important information in many areas of interest. We will also be drawing for door prizes all evening. Look for further information coming soon.
