

HIGH SCHOOL CREDIT OPT OUT FOR MIDDLE SCHOOL COURSES INFORMATION

Effective with the class of 2024, a student who has completed high school courses as defined in RCW 28A.230.090(4) with a passing grade before attending high school shall automatically be given high school credit which shall be applied to fulfilling high school graduation requirements, unless requested otherwise by the student and the student's parent or guardian. A student who has completed high school coursed before attending high school shall be given high school credit which shall be applied to fulfilling high school graduation requirements if:

- The course was taken with high school students and the student has successfully passed by completing the same course requirements and examinations as the high school students enrolled in the class; or
- The course would qualify for high school credit because the course is similar or equivalent to a course offered at a high school in the district as determined by the school district Board of Education.

At the request of the student and the student's parent or guardian, high school credit earned before high school may be transcribed with a nonnumerical grade, such as "pass" or "credit". A nonnumerical grade will not be included in the student's high school grade point average calculation. High school credit earned prior to high school and transcribe with a nonnumerical grade will apply to fulfilling high school graduation requirements.

A student and the student's parent or guardian must inform the school before the end of the 11th grade if they do not want credit for the course(s) taken before attending high school, or if they want to request that credit be transcribe with a nonnumerical grade.

Some grades can negatively impact a student's future grade point average (GPA).
