

Dear Community Education Families,

We are writing to inform you of important updates regarding tuition and fees for the **2025-2026** school year. After careful consideration and evaluation of our current financial structure, our Governing Board approved a rate increase to continue providing a high-quality enrichment program experience for all our students.

### **Why the Rate Increase?**

Over the past few years, we have worked hard to maintain our current rates despite rising operational costs. These include increases in resources being purchased, facility maintenance, and the growing costs of other operational resources. To ensure the sustainability and excellence of our programs, this rate increase will help us continue to support our students, faculty, and the community.

### **What Changes to Expect**

Starting July 14, 2025, the rate increase will consist of two dollars to the daily rate and early release day rate; and an increase of five dollars to the intersession daily rates. The updated rates for the **2025-2026** school year are below.

A.M. RATE: \$13.50

P.M. RATE: \$18.50

EARLY RELEASE RATE: \$22.00

INTERSESSION RATE: \$50.00

### **Our Commitment to You**

We understand a rate increase can have an impact on your family's budget, and we are committed to supporting our community during this transition. Our team is here to assist you with any questions or concerns you may have about the new rates, as well as to explore any available assistance programs.

Our goal remains to provide an exceptional enrichment program in a supportive, enriching environment for all our students. We are excited about the opportunities that lie ahead in the upcoming school year and appreciate your continued partnership in making Kids Club a special place for all.

Thank you for your understanding and ongoing support. If you have any questions, or if you would like to discuss this matter further, please do not hesitate to reach out to us.

Respectfully,

Kim Ohanian  
Asst. Director of Community Education
