Dual Location Transportation Request Form Instructions

According to the commissioner of education, a student can only have a single residence for school purposes. The district recognizes the challenges that this may have on families and allows **students in grades K-8** to complete a request for dual location transportation. For safety reasons, **only one consistent weekly schedule** will be accepted to a secondary address. Alternating weeks or other schedule variations are not possible based on safety concerns and will not be accepted. An application for dual location transportation must be submitted annually by the parent or guardian (**one form per student**). These applications must be received by the Transportation Department by **April 1st, 2025**. These forms are available at the Transportation Department website: www.pittsfordschools.org

Dual location transportation is complex to arrange and requires that schedules be shared with drivers and teachers; notifying them of what days students will or will not be riding certain buses. Please note that it is your responsibility to inform your child and their school of the dual location arrangements.

Dual Location Service Criteria

- **Available for Grades K-8 only.**
- **Both locations must be located within the school district boundaries and school attendance area.**
- **Child may have a maximum of 2 stop locations including primary address**
- **Schedules must be the same for each week. (Alternating weekly schedules will not be accepted.)**
- **A new dual transportation form must be submitted to the transportation department if there are any changes such as address or schedule change.**

Parent/Guardian's (1) signature _____ Date _____
