

Presented by Malone University

BRICK BUILDING COMPETITION

Show off your building skills through the Malone University Brick Building Competition!

WHO: Stark County school-aged students (K-12)

HOW: Using LEGO bricks, create a display of any recognizable landmark in Stark County.

WHEN: Register online by Jan. 31; completed builds must be submitted by March 3.

PRIZES: Finalists will have their creations displayed at Malone University March 17-18.
Prizes will be awarded for winners in each age group.

Master builder Scott Brown will release three educational videos to assist builders as they work on their landmark!
