Dual Enrollment Information Night

2/4/2025 - 5:30pm

Chattahoochee High School

Virtual meeting helpful hints

- During the presentation, please use the chat feature to type in questions about the **current** slide. Counselors are monitoring the chat and can answer your questions in real time! Keep in mind your questions will be viewable by other attendees.
- We will continue the Q & A at the end of the presentation to allow participants to ask any final questions.
- This presentation is being recorded and will be posted on the counseling website within a few days.
- MRS. CHILSON – PRESS RECORD!!!

What is Dual Enrollment?

Dual Enrollment General Info

- **Dual Enrollment is a State of Georgia initiative that allows high school students to take college courses through an approved college or university for high school credit.**
- Participants must **meet admission requirements** for the institution they wish to enroll.
- Students can take classes **online at home or attend in person** classes at the local college.
- Offered during Summer, Fall, and Spring terms.
- Students cannot take more than 15 credit hours each term. **Most students take 1-2 classes** per semester. Most take their courses online to have more flexibility with high school scheduling.
- All **communication happens between the student and the college**, not the parent.
- Parking passes are awarded at the discretion of administration, not the counseling office – and just because you have **dual enrollment courses does not guarantee parking on campus**.
- Dual Enrollment is **taken off campus**. Students do not report to Chattahoochee for DE classes.
- Students must **READ EVERYTHING** carefully or they will miss critical information.

Differences between AP / DE / FVS

Advanced Placement	Dual Enrollment	Fulton Virtual School
Class taken through the High School.	Class taken through a College	Class taken through the Fulton Virtual School
Class is delivered in-person.	Class is either in-person or online.	Class is online only.
Standardized program across the U.S. run through College Board.	Each professor has freedom to teach their content the way they want.	Follows the curriculum/standards given by the State of Georgia.
Students take an AP Exam at the end of the school year and that score will determine if credit is given by a future college.	Student must pass the class to earn the college credit.	These are not college level classes.
Rigorous coursework and expectations, classes meet every day.	Students must be independent to manage the college systems in place.	Students need to be highly motivated to complete work independently online.
Communication with parents and students is very open.	Parents are not included in any communication or updates by the college. Student driven!	Allows for flexibility, but communication with parents and students is very open.
AP classes follow Fulton County's recovery policy – major assessments can be recovered up to a 75.	Professors are not obligated to offer any recovery, accept late work, or extend deadlines. Most do not! Some do not even put grades in until the end of the term.	No penalty for turning in work late but must be mindful of the pacing guidelines, and work will pile up fast.

Who can take DE courses?

9th Graders	10th Graders	11th & 12th Graders
9th Graders are not eligible for any Dual Enrollment	Eligible students may enroll in **approved Career, Technical and Agricultural Education (CTAE) courses** listed on the Course Directory at a participating **TCSG institution only.** •Eligible students who have a minimum **SAT score of 1200 or minimum ACT composite score of 26 in a single national test administration**, may enroll in **any approved courses** listed on the Course Directory at a TCSG, USG or private eligible participating postsecondary institution. (Ga State only allows 11th & 12th graders). •Scores must be received by GSFC prior to funding approval.	Eligible students may take any approved Dual Enrollment courses listed on the Course Directory at an eligible participating postsecondary institution. Must meet admission requirements for the college.

State Funding

- State of Georgia pays for the class tuition, books, and mandatory fees. Some fees are NOT paid for by the state – like science lab fees or late registration fees, etc. Your account at the college will show that you have a balance on your account up until midway into the semester.
- Students are not allowed to take more than 30 credit hours in total with Dual Enrollment. This is approximately 10 courses. Most classes are 3 credit hour courses.
- Students cannot be funded for the same course twice.
- Students who withdraw from 2 college classes at any point are not permitted to continue in the DE program.
- Many colleges will not allow for a self-pay course if the student still has funding available to them through the state. If a student does self-pay for a course, then it will be posted to the high school transcript regardless of the final grade.

State Funding continued...

- Only **Academic and Career Technical** courses will be funded.
- Institutions must provide **required textbooks** at no cost to participating students for courses approved for DE funding. If the course textbook or homework delivery method is provided online or online materials are used in lieu of a physical textbook, the institution must provide the code at no cost to the student for courses approved for DE funding. Colleges send this information to students at the beginning of every semester. Questions need to be directed to the college.
- **All students should verify that a course can be funded prior to registration.** **https://www.gafutures.org/checs/dualenrollment/DECourseDirectory**
- Just because a course is listed as an approved course in the directory does not mean that the college will be offering that course for the term/date/time you want.

Required Paperwork

Chattahoochee High School
Dual Enrollment Interest Form

Chattahoochee High School Interest Form

Canvas is where notifications, announcements, directions, files, etc. will be posted. Students should set up their Canvas notifications, so they do not miss critical details.

Please allow 2 business days to be added to Canvas.

Canvas Assignments & Instructions

Dual Enrollment Hub

Hooch Dual Enrollment Hub

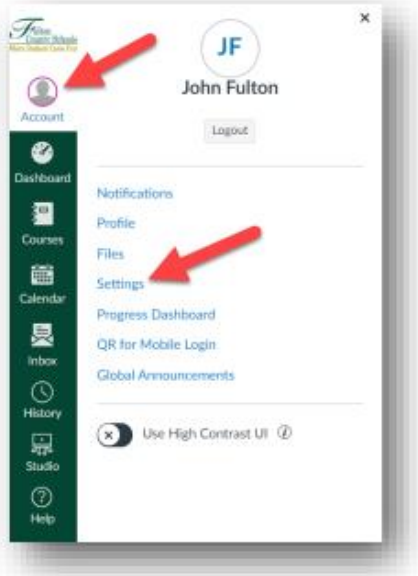
- Dual Enrollment Overview
- Step 1 - Fulton County Dual Enrollment Contract - Due by 3/31/25
- Step 2 - Georgia Futures Funding Application - Due by 3/31/25
- Step 3 - Dual Enrollment College Options - Apply to the College - Due by 3/31/25
- Step 4 - Upload College Registration (Summer / Fall / Spring)

Canvas Parent Observer

FOLLOW THE INSTRUCTIONS BELOW TO GENERATE THE STUDENT PAIRING CODE AND THEN CREATE AN OBSERVER ACCOUNT.

Ask your student to log into their Canvas account.

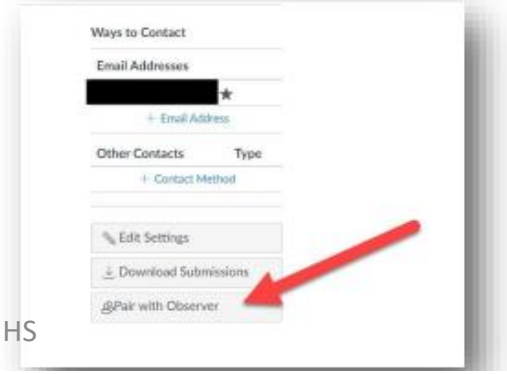
Then, go to Account and select Settings.



On the right-hand side of the screen, click Pair with Observer.

Then write down or copy the code.

*Please note that this code is only valid for 7 days. After 7 days, if you have not yet set up your observer account, you will need to generate a new pairing code.



High School Paperwork + College Paperwork

Step 1 – Complete the Chattahoochee HS **Dual Enrollment Interest Form** – available on the weebly

Student will be added to DE Canvas portal and expected to submit assignments there.

- **Fulton County DE Contract** with student & parent signatures
- **Ga Futures Funding Application** (student & parent portion)
- **Upload Class Registration** (proof of enrollment in actual college classes, not just accepted to college)

- **College Application** – read their website and follow their process. Links will be in canvas with PDF instructions on how to complete the application CORRECTLY.
- **Supplemental Documents**
  - High School Transcript
  - Test Scores
  - AP Test Scores, if required
  - Immunization Records
  - Any additional materials required

Due by March 31, 2025

- **Fulton County DE Contract** – completed every year no later than March 31, 2025
- **Dual Enrollment Funding Application** – www.gafutures.org – to be completed every year. Student completes their application and then the parent will submit their approval. It is not complete until both portions are done. Must create a Ga Futures account if you do not have one. (Not including Auburn). **Make sure to use the 25-26 form!**
- **College Application** – separate from the funding application; submitted directly to the university/college.

Remaining Steps for the college *– best to have completed by 3/31 but not required; however, the longer it takes you to get all the remaining documents submitted, then the longer it will take for a decision to be made by the college.*
Pro Tip *– do not wait to get everything completed. Do it now.*

CURRENT DUAL ENROLLMENT STUDENTS (GSU & Gwinnett Tech)
**Must do the annual Fulton County Dual Enrollment Contract
**Must complete a new funding application for the upcoming school year
**Register for classes & Upload a screenshot of their college class registration into Canvas

Transcript Requests

Any student who needs an official transcript sent to the college will need to make that request through Ga Futures website.

- Go to **www.gafutures.org**
- Sign into your account (same account that you do your Dual Enrollment Funding)
- Go to the "My Ga Futures" tab
- Click on the tab that says "My High School Transcript"
- Make request from there.
- Make sure to list the correct college, some college names are similar.

****Ga Tech students do NOT request official transcripts**. Ga Tech students will upload an unofficial transcript after spring grades have posted to their Infinite Campus portal. Go to your Infinite Campus app, click on the documents tab, download a copy of your transcript and upload that to your Ga Tech admissions portal.

****Errors in Ga Futures:**

1. You do have a social security number, but you have never provided it to the high school.
2. You do not have a social security number at all.
3. For both cases above, transcript can be requested through Scrib Order. If under 18 then the guardian will need to upload a copy of their picture ID into the scrib order request for it to be processed. Link to Scrib Order.

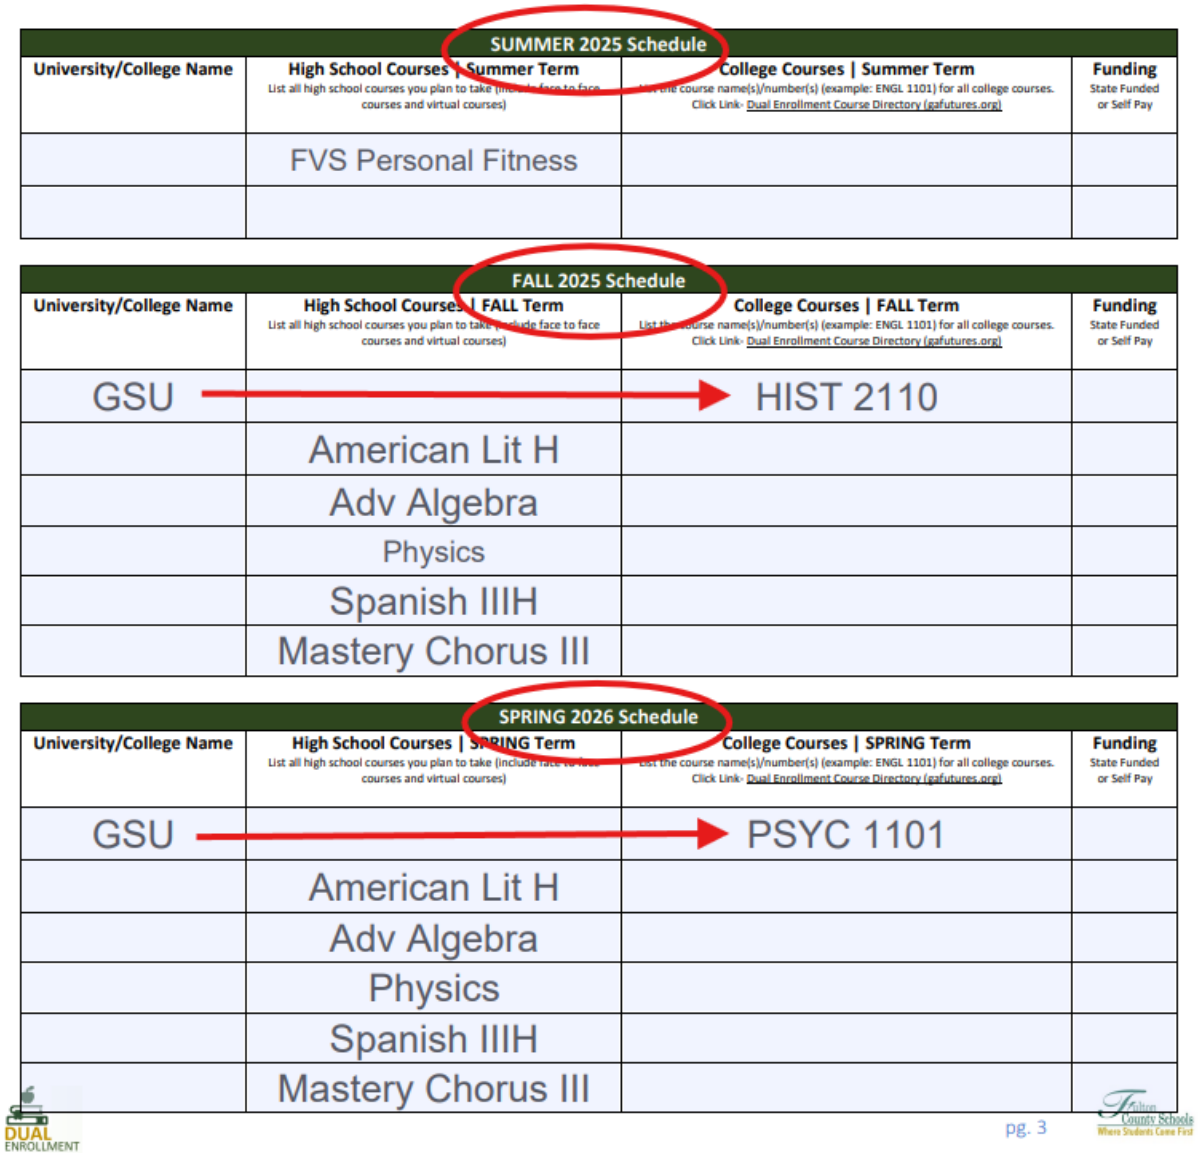
Fulton County DE Contract – EXAMPLE PAGE 3

- University/College Name Column
  Write the name of the dual enrollment college. If there are multiple, make sure the college course reflects the correct college for that line item.

- High School Courses Column
  For each semester write out all high school courses you intend to take at Chattahoochee, GAVS, FVS, or senior reduction For Fall & Spring semester sections, the HS classes + College classes should total 6 courses.

- College Courses Column
  Use this column to write out all dual enrollment classes you intend to take for the entire year. Use the Summer/Fall/Spring columns to include the course name. For Fall & Spring, the classes in the college column + classes in high school column should total 6 classes. If you are enrolling full time at the college, then you need a minimum of 4 college classes.

- Funding Column
  Your school counselor will approve dual enrollment funding for the ENTIRE school year based on what is listed in the contract. Be purposeful with what you list. Most students should say "STATE" pay. Self Pay is very rare.



SUMMER 2025 Schedule

University/College Name	High School Courses | Summer Term List all high school courses you plan to take (include face to face courses and virtual courses)	College Courses | Summer Term List the course name(s)/number(s) (example: ENGL 1101) for all college courses. Click Link- Dual Enrollment Course Directory (gafutures.org)	Funding State Funded or Self Pay

Dual Enrollment Timeline

Timeline

February 4 – March 31 – These items are due:

- Fulton County Dual Enrollment Contract
- Ga Futures Funding Application
- College Application

Before Summer Break

- Finalize College Acceptance
- Finalize any next steps required by the college
- Get registered for class(es)
- Upload a screenshot in Canvas of College Class Registration (Student Detail Schedule)

Late July

Counselors host QUICK online meeting through MS Teams with interested students to make sure their high school schedule and college schedule will "fit" together. Info will be posted in Canvas when we get closer to that date.

August 1

Anyone not registered for a college class by this date will be placed into high school classes at Chattahoochee.

College Options

College Choices

- Each college has their own specific application and process. Students need to follow the directions on the college website to ensure they are meeting all the steps for the dual enrollment program. **You should make sure you meet the minimum admissions standards prior to applying.**

- Information is posted in Canvas along with links to the specific dual enrollment offices. Students are on their own to get this completed. The high school does not submit applications on behalf of the student. Questions should be asked prior to the deadline during a help session.

Georgia State University (11th & 12th only)
https://admissions.gsu.edu/associate-degree/apply/de-students/

Gwinnett Technical College (10th – 12th)
https://gwinnetttech.edu/dualenrollment/

Georgia Institute of Technology (10th – 12th)
https://admission.gatech.edu/dual-enrollment/
****10th graders must meet the GSFC testing requirements**

Auburn First (11th – 12th) – SELF PAY OPTION ONLY, NOT STATE FUNDED
https://auburn.edu/academic/provost/pathways/auburn-first/

Other College Choices

- Students are welcome to apply to a different Dual Enrollment program; however, they must research those choices. Participating Colleges List
- Students must investigate all the processes for that college on their own.
- Students must still complete all the Assignments in Canvas
  - Fulton County Schools DE Contract
  - Apply to the College (screenshot that application was submitted)
  - Ga Futures Dual Enrollment Funding Application
  - Upload Screenshots Course Registration
- It is up to the student to make any other requests to their HS counselor if they need additional documents submitted.
- Transcript requests need to be completed through Ga Futures or Scrib Order.

Accelerated Career Diploma Option

Non-Traditional Path to Graduation

Accelerated Career Diploma

1. Students pursuing Dual Enrollment's Accelerated Career Diploma should understand and agree to the following:
   a. Must complete the following to earn a high school diploma:

High School Graduation Course Requirement:

- 2 English (required EOC)
- 2 Math (Algebra 1 & required EOC)
- 2 Science (Biology & required EOC)
- 2 Social Studies (US History required)
- 1 Health and PE course (Health and Personal Fitness)

Technical College Requirements:

Students must successfully complete the course and program requirements needed to earn one of the following:

☐ Associate Degree ☐Technical College Diploma ☐Two eligible Technical College Certificates (TCCs)

b. May be required to pay some tuition and course fees out of pocket and will assume financial responsibility.

c. Students will be required to complete additional high school course requirements and will be off track for high school graduation if the decision is made to not complete Accelerated Career Diploma requirements in pursuit of a regular high school diploma that requires 23 course and credit requirements.

d. Students who graduate and obtain a high school diploma through the Accelerated Career Diploma option may not have the minimum course requirements for admission into a 4yr college or university. Students may be required to complete an Associate Degree before transferring to a 4yr college or university. It is the responsibility of the student/family to check college admissions requirements.

*****Requires a Parent/Student meeting with their school counselor.*****

Course Options

Full Time or Part Time

Full-Time DE Student:

- At least 4 college courses totaling 12-15 college credit hours
- All classes are taken through the college (online or F2F)
- No courses have to be taken at Chattahoochee
- Student is still enrolled at High School and is fully eligible to participate in clubs, extracurricular activities, sports, and events

Part-Time DE Student:

- Fewer than 12 College Credit Hours
- Must be enrolled in 6 courses between Chattahoochee HS and the college
- Need to coordinate DE courses with high school classes that are offered.
- Allow for SAFE driving time between high school and the college
- Not allowed to enter/exit high school campus multiple times a day

- **Dual Enrollment classes are scheduled OFF CAMPUS.** This means that the student either takes a dual enrollment class at the college in person, or they can take the class online while at home. Students will need to provide their own transportation for any remaining Chattahoochee High School classes.
- The only exception is the Ga Tech Distance Math Year 1 and Year 2 programs. These require proctored exams on our campus by a Chattahoochee teacher throughout the semester. Distance math classes are ONLY held during 1st period.

Common Courses

This is not an exhaustive list
Look at all courses on the course directory.

ENGLISH	MATH	SOCIAL STUDIES	SCIENCE	ELECTIVES
Lit/Comp I and Lit/Comp II cannot be replaced by a college course. These are new titles for 9th Lit and 10th Lit. English classes at the college have a specific sequence that must be followed, which may be different than the HS sequence	Most restrictive area. Students must have Algebra 1, Geometry, and Advanced Algebra at the high school before taking a college level math. Placement tests may also be required to take math at the college. Math must be degree level at the college, not diploma level to count as a fourth math.	All graduation requirements can be taken through dual enrollment, except Economics, which is a recent change.	All science graduation requirements can be taken through dual enrollment. Must meet prerequisites. Most science classes require an additional lab course that is a separate credit and a separate grade. Can be challenging to schedule!	Students can take approved CTAE and World Language classes. Many choices for electives. Students should check transferability of classes prior to registration.
ENGL 1101 – English Comp 1 ENGL 1102 – English Comp 2 ENGL 2110 – World Lit ENGL 2120 – British Lit ENGL 2130 – American Lit **EOC – no longer required for American Lit starting 25-26.	MATH 1001 – Quantitative Skills & Reasoning MATH 1101 – Mathematical Modeling MATH 1401 / 1127 - Statistics MATH 1111 - Algebra MATH 1113 - Precalculus MATH 2211 – Calculus I	POLS 1101 – Amer Govt HIST 1111/1112 – World History HIST 2110 – US History (GSU) HIST 2111/2112 – US History (GTC) ~~ECON 1101 – Economics (GTC)~~ ~~ECON 2100 – Global Economics~~ ~~ECON 2105 – Macroeconomics~~ ~~ECON 2106 – Microeconomics~~ **Econ is not an approved class that will meet HS graduation standards for the next school year.	ASTR 1000 ASTR 1020 + ASTR 1020L BIOL 1103 + BIOL 1103L CHEM 1151 + CHEM 1151L ENVS 1401 + ENVS 1401L GEOL 1121 + GEOL 1121L NEUR 2000	ACCT 2101 / ACCT 2102 ANTH 1102 / ANTH 2020 BUSA 2106 CRJU 1100 HUMN 1000 KH 2210 PHIL 2010 PSYC 1101 RELS 2001 SCOM 1000 / SCOM 1500 SOCI 1101

English Options

Students who have completed AP Lang who earn a 3 or higher on the AP Exam may receive college credit for ENGL 1101 or 1102.
**You are responsible for checking your future post-secondary institution to see if they will accept the AP score for credit.

Typically, students who receive a 3 or 4 are exempt from taking ENGL 1101.
Typically, students who receive a 5 are exempt from taking ENGL 1101 and 1102.

Best practice for high school is if you earned a 3 or 4 on your AP Lang exam, you need to submit your Official AP Lang scores to the dual enrollment college to skip directly to ENGL 1102. This would satisfy your 4th high school English credit. This is tricky because you cannot register for ENGL 1102 UNTIL they have received and processed your AP Lang exam score.

Best practice for high school is if you earned a 5 on your AP Lang exam, you need to submit your Official AP Lang scores to the dual enrollment college to skip directly to ENGL 2110 (World Lit) or ENGL 2120 (British Lit). This would satisfy your 4th high school English credit. This is tricky because you cannot register for anything other ENGL 1101 UNTIL the college has received and processed your AP Lang exam score.

Scheduling Examples

- There is not “one way” to do dual enrollment.
- Students can mix / match depending on need.
- Every student must have a lunch period in their schedule.
- Students do need to have a plan for the entire year. S2 will indicate a placeholder until spring registration opens.
- Do not get hung up on where everything will fit because counselors will not know until end of summer.

Grading & Credit

Dual Enrollment Grading

Colleges assign letter grades and FCS converts those to numeric averages.

- A = 95
  B = 85
  C = 75
  D = 70
  F or WF = 60
- FCS adds 7 honors points to the final passing college course grades

  Example:
  ENGL 1101: student earns a B on college transcript
  FCS transcribes that to an 85 unweighted; 92 weighted on HS transcript
- HOPE Scholarship: Core DE courses receive a 0.5 weight up to a maximum 4.0 and count as academic rigor. Grades earned in DE classes will count towards a student's initial HOPE eligibility.
- Final grades for all DE courses will be posted on the HS Transcript.

Credit & Withdrawals

- If a student withdraws from a college class, the student will earn a W on their High School transcript. This does not impact GPA.
- If a student withdraws past the midpoint in the college semester, the student will earn a WF which is the same as an F on the high school transcript. It is highly recommended to look at the academic calendar for all important dates at the college. Every college is different.
- If a student withdraws at any point from 2 dual enrollment classes, the student is no longer eligible to participate in the program.

College Credit Hours	Assigned High School Credit
One to Two Semester Credit Hours	.5 High School Unit Credit
Three to Five Semester Credit Hours	1.0 High School Unit Credit
One to Three Quarter Credit Hours	.5 High School Unit Credit
Four to Eight Quarter Credit Hours	1.0 High School Unit Credit

Example:
Passing grade in ENGL 1101 fall term of senior year satisfies 4th English credit. College classes are typically 3 credit hours and earn a full credit in one semester.

Fall Grade Breakdown

	GSU	GTC
A	201	33
B	48	25
C	14	11
D	5	3
F	7	3
W	1	1
TOTAL Classes Taken	278	76
TOTAL Students Participating	**203**	**56**

Random Info

Good to Know

- **Lockdown Browser Issues** – some classes require students to add software to their computer called a "lockdown browser" which prevents cheating issues. This software cannot be installed on Fulton County devices, you will need a personal laptop/computer to take tests or even go to the campus and use one of their computers.
- **Social Security Number** – if you do not have one, you can still take dual enrollment classes, but to send your transcript you will need to use Scrib Order. You may also have to provide additional documentation to the college.
- **Missed Assignments** – If you miss an assignment or a test or anything for the college class it can greatly affect your overall grade.
- **College Grades** – You must make Satisfactory Academic Progress to be able to continue college classes, each college sets their own standards, but generally C's or better are expected.
- **Funding** – Your account at the college will show that you have a balance on your account up until midway into the semester. Please do not worry! They get their funding from the State of Georgia, and it takes time for that balance to be removed from your account.
- **Course Changes** – There are specific times when a student can make changes to their college classes, if they do, they must inform their counselor PRIOR to making the change or the college may drop the class.
- **Parents** – make sure you complete your portion of the funding application; nothing moves forward without parent approval.
- **Selective Service** – males who are 18 years old OR turn 18 during the semester MUST register for the selective service.

Things Chattahoochee Cannot Manage

- **College schedule and course availability**
  - It is your responsibility to ensure you are at your college exams on the date and time outlined in your syllabus.
  - College breaks/holidays may be different than those outlined by FCS.
  - College classes are not always offered at times that align with CHS' schedule. Additionally, popular course times fill up quickly.
- **Acceptance process**
  - Students should contact the DE Office or the Admissions Office at the college
- **Troubleshooting any holds on admissions or registration**
  - Students should the contact the DE Office at the college to clear holds and/or troubleshoot any registration questions. Some holds can be cleared by following the directions on the hold.
- **Communicating between you and the college** about individualized situations (example: an absence, textbooks, a missed quiz, etc.). All communication with the college should be done through the student's college email address.
- **Transferability of courses taken through Dual Enrollment** – students need to have those conversations with the colleges where they plan to later enroll to make sure credits will count for credit at that institution.

Your Counselor is here to advise and support your Dual Enrollment participation process, but it is important to remember that you will be an independent college student while you are still in high school and must meet the same expectations of an undergraduate student.
