

CAREER PATHWAYS

Grow here. Learn here. Work here.

Business AAS w/ Business Technology Certificate

This AAS degree contains a general education core, with a wide variety of Business classes that expose students to various areas within the vast business world. Students build the rest of their degree with micro-credentials in the areas that interest them. Micro-credential options include, Bookkeeping, Marketing & E-Commerce, Business Technology, Human Resources, Entrepreneurship, Leadership, Accounting and Retail Management. This degree is designed for brand new students who wish to create their own business degree as well as for well-established professionals who wish to increase and improve their business skills. A business career holds multiple career opportunities, and this degree is designed to prepare students for their place in it!

Degree seeking students must complete the first year business core and two micro-credentials.
