January 23: General Meeting

The Parent Community Council held a general meeting on January 23, 2025. We had a great turnout with every seat taken in the priory dining room. Our guest speaker was Servite principal, Nancy Windsich, who provided updates on the WCEA process, construction in the library, and other major highlights across the Servite community. We also welcomed the Mother's Day of Reflection chairs to speak about the annual event scheduled for March 6, 2025. The general meetings are open to all parents and guardians and it is a great way to learn more about what is going on around the Servite campus and meet other families. Our raffle prize winner was Suzanne Johnson (Class of 2027).
