Policy Initiation

Any person residing in or employed by the School District may suggest policies by providing a statement of need in writing to the Superintendent or Board clerk. Such suggestions will be considered by the Board and administrators to determine whether a policy is warranted to assure consistent and equitable school operations.

Comment and information will be sought in the following areas:

1. The specific need for the policy.
2. The fiscal consequences of the proposed policy.
3. The effect of proposed policy on administrators, students, teaching staff and the community.
4. Samples of similar policies of other Boards.
5. Applicable provisions of state and federal law.
6. The anticipated costs and benefits of implementing, enforcing and evaluating the proposed policy.

Warnings

Policies will be adopted by the Board only after appropriate public notice and opportunity for public comment as outlined in state law.
