Budget Assumptions

With the State of Alaska's legislative session not scheduled to end until mid-April at the earliest, and the Borough's budget cycle set to finish in mid-May, the district is required to make some assumptions in order to develop the budget within the required timelines. The budget must be balanced before it can be submitted to the Borough Assembly no later than April 1.

The following assumptions have been used in preparing the FY26 Proposed Budget:

- State Base Student Allocation (BSA) of \$5,960
- Additional one-time state funding equivalent to a \$680 BSA increase
- A projected enrollment of 11,626 students for the FY26 school year
- A local contribution request of \$60 million

Budget Preparation

The objective of the district's budget process is to develop a budget that is "a long-term perspective and not simply an exercise in balancing revenues and expenditures one year at a time" (*National Advisory Council on State and Local Budgeting*).

The strategic plan is the guiding document for resource allocation. In addition to its directives, the following objectives are also prioritized:

- Student welfare and success
- Evidence-based budget recommendations (data-driven, realistic, and feasible)
- Transparent, timely and objective budget system
- Participation and awareness from district stakeholders

BUDGET COMMITTEE

The Budget Committee is charged with ensuring that the budget development process is a goal-driven approach which includes the planning, development, adoption, and execution phases of the district's strategic plan. The committee reviews the district's current budgeting process and provides input for the establishment of policies and plans to achieve efficiency and best practice in financial management.

FUND BALANCE POLICY

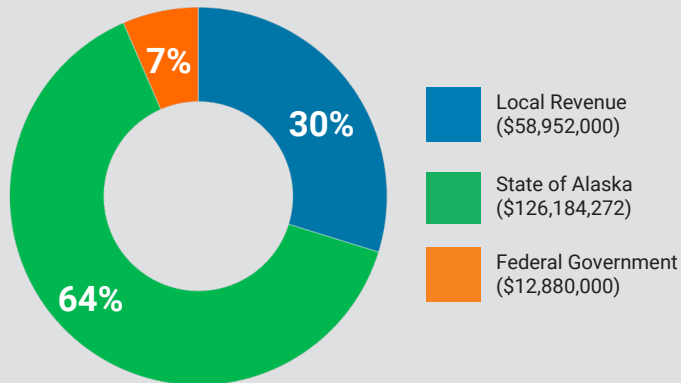

The Board of Education recognizes that maintaining a responsible fund balance is essential for the preservation of the financial integrity of the district. As a result, in 2017 the Board of Education adopted Policy 412: Fiscal Management Philosophy-Fund Balance, which states the following:

The district will strive to maintain the Government Finance Officers Association (GFOA) recommended unrestricted fund balance in the general fund of at least two months (16.67 percent) of operating expenditures. However, this amount may not be greater than the amount allowed by Alaska law. The district may have general fund unrestricted fund balance below the GFOA recommendation of 16.67 percent but shall strive to maintain between 2 to 4 percentage points below the maximum percentage point allowed under state law.

PREVIOUS BUDGET

FY25 Approved Budget Summary

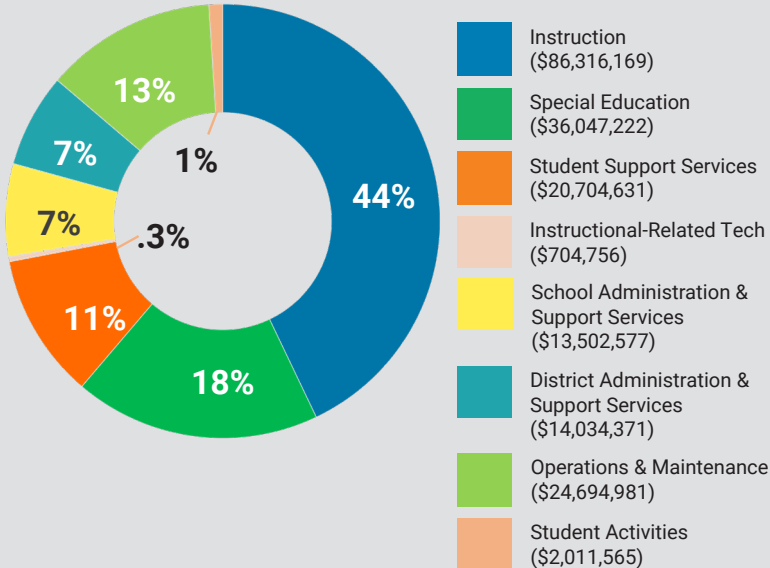

FY25 General Fund Revenue

TOTAL GENERAL FUND REVENUE: \$198,016,272

The FY25 Approved Budget reflected an increase in General Fund revenues of \$9.7 million compared to the prior year. The increase was due in large part to a higher local contribution from the Borough (\$3.7 million) as well as additional one-time state funding equivalent to a \$680 BSA increase (\$8.9 million). Federal revenue decreased by approximately \$725 thousand, and revenue from a transfer from the Capital Projects Fund that was used to balance the FY24 budget (\$2.2 million) was eliminated.

FY25 General Fund Expenditures

In order to cover rising fixed operational costs as well as labor and benefit costs in a declining revenue environment, the district made cuts to programs and staffing. Districtwide (including CARES funding), 56 positions were eliminated in the areas of administration, elementary ELP, Barnette and Hutchison High teachers, secondary Assistant Principals, and secondary attendance secretaries, among others. The pupil to teacher ratio (PTR) was increased in Middle and High school grades by one student. Reductions were also made in non staffing areas such as curriculum and staff laptop purchases. Additionally, Ben Eielson Jr/Sr High School was closed.

FY26 Proposed Budget Highlights

Revenue

The governor has included a status quo base student allocation (BSA) in his proposed budget, however, there is support in the legislature for an increase in education funding. Nonetheless, any potential increase in funding, whether one-time or permanent, will not be known until April at the earliest and therefore cannot be considered for purposes of the Proposed Budget. State revenue is anticipated to decline by approximately \$5.7 million due to a drop in projected student enrollment. One-time state funding the district received in FY25 (\$16 million) is being included in FY26 revenue estimates. Federal revenue is budgeted to be \$625,000 less than the prior year in the areas of impact aid and Medicaid reimbursements. Local revenue is largely dictated by the local contribution, which is appropriated by the Borough Assembly. The district is requesting an increase of \$2 million to the local contribution for a total request of \$60 million.

FY26 General Fund Revenue

TOTAL GENERAL FUND REVENUE: \$192,293,292

Expenditures

Due to revenue shortfalls and rising costs, the district faces an approximate deficit of \$16 million, requiring significant reductions to expenditures. In an effort to address the shortfall and right-size the district's footprint, the Proposed Budget includes the closure of 3 schools, and the downsizing of another, for a total savings of approximately \$4.9 million. The budget also includes the contracting out of custodial services for an additional savings of \$3 million. Additional reductions made to balance the budget include an increase in the pupil to teacher ratio (PTR) of 2.5 students across all grades, as well as reductions in high school counselors, charter school revenue allocations, and administrative staff. Districtwide, 168 FTE positions have been eliminated. Significant expenditure increases include a transfer to the Transportation Fund from the General Fund to subsidize district transportation services as well as a restoration of funding for staff laptop purchases. The benefit rate in the Proposed Budget was increased 1.55% from FY25 to account for rising health and other insurance costs.

FY26 Proposed Budget Summary

The goal of the FY26 Proposed Budget is to provide a high quality education to students in the face of dramatically rising costs and declining revenue. Every effort has been made to find as many reductions as possible in areas not related to the direct instruction of students. However, due to the sheer size of the district's deficit, pupil-to-teacher (PTR)

ratio increases across all grades have been necessary in order to present a balanced Proposed Budget. Additionally, 3 school closures and one downsized school are included, as well as the contracting out of custodial services. A total of 168 FTE have been cut districtwide compared to FY25.

Elementary Schools

To address the large deficit facing the district in FY26, the Proposed Budget includes the closure of three elementary schools and the downsizing of another. The selection of the specific schools to be considered for closure was accomplished by following a process identified by the Board of Education and Administration, and it was done with the intent to reduce costs and maintain and improve the educational services available to students. The vote to close schools was made by the Board of Education at the February 4 regular board meeting. Additionally, teacher allocations have been adjusted based on current school enrollment projections and the following pupil-to-teacher ratios:

Kindergarten: 27.5 (increased from 25)

Grades 1-5: 27.5 (increased from 25)

Reductions

- **18.0 FTE Teachers** (due to PTR increase)
- Closed Midnight Sun Elementary, Pearl Creek Elementary, and Two Rivers Elementary
- Downsized Salcha Elementary

Districtwide

In an effort to address the large deficit facing the district in FY26, the Proposed Budget includes the contracting out of custodial services to a third party. In addition, the budget includes reductions in administrative staff and charter school revenue allocations. Significant investments include a subsidy to support transportation services, an increase to the health insurance benefit rate, and funds to purchase replacement laptops for educators.

Investments

- Transportation Subsidy (\$2.0 million)
- Increase to Benefit Rate (\$1.6 million)
- Educator Laptops (\$600,000)
- Curriculum Materials (\$300,000)

Reductions

- Contract out custodial services (\$3.0 million)
- Charter revenue allocations (\$520,000)
- Administrative staff reductions (\$500,000)

District Profile

Fairbanks North Star Borough

Spanning a total area of 7,444 square miles in interior Alaska, the Fairbanks North Star Borough (FNSB) is in an area characterized by extreme temperature differences, with extremely cold winters and warm summers. Temperatures have been recorded as low as -62°F in mid-winter and as high as 96°F in summer.

Home to 97,738 people, as estimated by U.S. Census, the FNSB contains the communities of Fairbanks, North Pole, Ester, Fox, Salcha, and Two Rivers, as well as two military installations: Fort Wainwright and Eielson Air Force Base.

The FNSB is governed by a mayor and nine-member assembly who serve in three-year terms.

The University of Alaska Fairbanks (UAF) is the largest campus in the state's university system, and is a land grant, sea grant, and space grant institution. The UAF campus includes the Museum of the North, a major year-round visitor attraction.

School District

The first school in Fairbanks was started in 1904 with 10 students. Over 110 years later, the Fairbanks North Star Borough School District (FNSBSD) has grown to **28 schools** educating over **11,800 students**. The school district employs over **1,500 full-time equivalent employees**, including members of three unions.

Schools in the district range in size from a small, rural elementary school of fewer than 100 students, to comprehensive high schools with more than 800 students. The school district is also home to charter, magnet, and specialized schools.

Elementary Schools

The district has 12 elementary schools. Each school provides a well-rounded academic program that includes general music, physical education, and art.

Many schools also offer before and after school programs, breakfast programs, and tutoring. Full-day kindergarten is available in all district elementary schools.

Middle Schools

The district has four middle schools for 6th-8th grade.

These schools offer a full academic program including health and physical education, plus electives such as art, world languages, and music.

High Schools

The district has three traditional high schools for students in grades 9-12. The high schools offer a wide range of classes including electives, honors courses, and advanced placement classes.

Schools of Choice

The district has nine schools of choice including Fairbanks BEST Homeschool, North Star College, Barnette Magnet School, and several charter schools. Hutchison High School is the state of the art career and technical high school focusing on five career clusters and is also a school of choice.

The following information summarizes the 2024-25 academic year.

BOARD OF EDUCATION

K12NORTHSTAR.ORG/SCHOOLBOARD

The 10-person Fairbanks North Star Borough Board of Education consists of seven elected, voting members and three appointed, advisory members. Elected members serve for three-year, staggered terms. They are elected at-large and do not serve specific geographical regions within the Fairbanks North Star Borough. Advisory members include two military representatives, a Fairbanks Native Association representative, and a high school student from the Regional Student Council.

Budget Process

Planning for the budget process begins in September with the selection of new members to the budget committee. In the fall, the committee reviews the current academic year's approved budget and identifies key points for communication to the Board of Education. In November, the administration submits enrollment projections to the Alaska Department of Education.

In December, school, department, and program leadership provide budget recommendations to the superintendent. The superintendent considers feedback from the budget committee district leadership, as well as class size targets and strategic goals and objectives to determine administrative priorities.

Through the strategic plan, the Board of Education provides guidance on district initiatives and budget priorities.

Preparation of an upcoming academic year's proposed budget begins in December and is presented to the Board of Education by the first week of February. Once the proposed budget is presented

to the Board of Education, the public can provide feedback at regular board meetings, through email, and online through public outreach tools.

After public input, changes are made to the budget as needed and the recommended budget is presented to the Board for approval. By State of Alaska statute, the Board of Education must submit the district budget to the Fairbanks North Star Borough (FNSB) Assembly no later than May 1 for approval of the total amount. Borough ordinance has set that date as April 1.

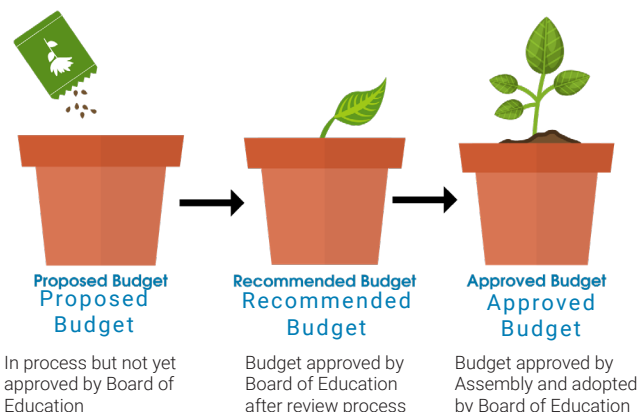

The Assembly determines the local appropriation for education, approves the district's bottom line budget in total, and sets the local mill levy accordingly. Funds for the support of operating schools are subject to the tax cap adopted by FNSB voters.

With a 90-day session, the legislature will typically approve a statewide budget for education by mid-April, unless they extend to special session(s). The budget is subject to veto by the governor, which can occur as late as July. If the district requests are fully funded by the Borough Assembly and the State, the budget process is

nearly complete. If the level of local or state funding has changed, the Board must determine where budget adjustments are to be made and provide an opportunity for public comment. In either case, final action on the budget is required.

When the final budget is balanced to match funding levels from the Borough and State, the budget becomes the "Approved Budget" and the spending plan of the district. The Board of Education adopts the Approved Budget by resolution.

Budget Process Timeline

Updated February 2022

State Foundation Formula & Local Contribution

Funding for the school district is based off its **Average Daily Membership (ADM)**. ADM is the average student enrollment for 20 school days, ending on the fourth Friday in October. The ADM is then adjusted by the following factors, determined by the State of Alaska, to get the **Adjusted Average Daily Membership (AADM)**.

SCHOOL SIZE FACTOR

A formula from the school size factor table is used to calculate the adjusted ADM for each school. Smaller schools will be adjusted at a greater level than larger schools.

Step 1: 10,849 (ADM) -> 12,931

CAREER & TECHNICAL EDUCATION FACTOR

Assist districts in providing career and technical education services in grades 7-12. The district's previously adjusted ADM is multiplied by the vocational and technical education factor of 1.015.

Step 4: 16,603 -> 16,852

DISTRICT COST FACTOR

Cost factors are specific to each school district and dependent on geographic location. The district's school size adjusted ADM is multiplied by the cost factor.

Step 2: 12,931 -> 13,836

INTENSIVE SERVICES COUNTS

Adjustment for students meeting qualifications and receiving specialized services. The district's intensive count is added to the previously adjusted ADM.

Step 5: 16,852 -> 21,909 (AADM)

SPECIAL NEEDS FACTOR

Includes special education, gifted/talented, and bilingual/bicultural. The previously adjusted ADM is multiplied by the special needs factor.

Step 3: 13,836 -> 16,603

Correspondence enrollment (90%) is then added and the final AADM is then multiplied by the **Base Student Allocation (BSA)**, which is set annually by the State of Alaska, to determine the district's **Basic Need Entitlement**.

22,608 (AADM, rounded) x \$5,960 (BSA) = **\$134,743,865 (Basic Need Entitlement)**

The **Required Local Contribution** and the **Deductible Federal Impact Aid** are then determined.

The **Required Local Contribution** equals the full and true value of taxable property multiplied by the mill rate.

The **Deductible Federal Impact Aid** is: **\$7,937,531**

\$15,059,620,879 x .00265 = **\$39,907,995**

The **State Foundation Aid**, or the level of funding provided to the district from the State of Alaska, is determined by the Basic Need Entitlement subtracted by the Required Local Contribution and the Level of Federal Impact Aid.

Basic Need Entitlement	\$134,743,865
Required Local Contribution	- \$39,907,995
Level of Federal Impact Aid	- \$7,937,531
State Foundation Aid	\$86,898,339
