The Complex

724 N. Adams St. — Grant St. Entrance

Tuesdays • 2:30-4:30 • Starting March 4th

PROGRAM CYCLE:

1. CLIMATE + SUSTAINABILITY

Learn about Climate, Justice, and Equity. Explore your carbon footprint and conduct a waste audit. Maintain Grow Towers and complete an Earth Day Action Project.

2. ENERGY

Explore renewable and non-renewable energy resources. Learn about careers in the energy sector. Dive into smart tech.

3. TECHNOLOGY

Participate in the intersectionality of food and technology. Test your coding skills and use tech art for a climate change call to action.

4. ENGINEERING

Talk to experts in environmental engineering, challenge your design thinking skills, and build a solar car!

5. URBAN PLANNING

Dig into the concepts that build your cities, discuss environmental injustice, and design your ideal community.

Light snack provided at all programs.

YWCA Tri-County Area is not affiliated with any School District.
