Storytelling Through Myths, Fairy Tales, and Folk Tales

Ages 12 - 14 | Instructor: Kristin Kummer
Monday - Friday, July 21 - July 25
9:00am - 12:00pm

Learn how age-old stories are crafted, and practice your own storytelling skills, making up stories and drawing inspiration from mythical creatures, magical lands, and heroic journeys. Feel confident in creating and sharing their own stories, inspired by the magical and timeless world of myths, fairy tales, and folk tales.

FEE: \$170

Character Drawing

Ages 12 - 18 | Instructor: Megan Jerbic
Monday - Friday, July 21 - July 25
1:00pm - 4:00pm

In Character Drawing for Teens, you will hone your drawing skills by drawing mannequin figures and learn how to draw the human figure, give your character emotional expressions, and design their clothing and props. Students finish up their character sketches with ink and color as well.

FEE: \$150

Large Polymer Clay Sculpture

Ages 13 - 18 | Instructor: Yani Sheng
Monday - Friday, July 21 - July 25
1:00pm - 4:00pm

In this one-week workshop, campers will create sculptures of animals from the land, sea, and sky. Instructor Yani Sheng will help students take a sculpture from the beginning of an idea to research to creating polymer clay sculptures that show off the likeness and texture of a chosen animal. We'll learn to use hand sculpture tools that help us practice fine and broad motor skills. Campers will even create a landscape setting for their animals!

FEE: \$220
