

THE FALCON FLYER

FEBRUARY 10-14, 2025

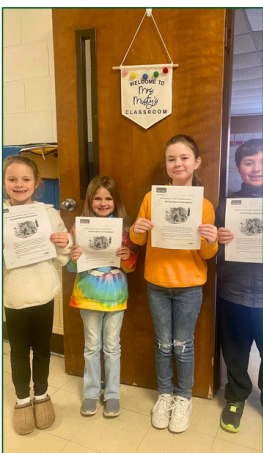

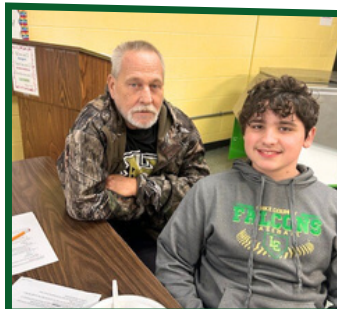

Thank you to our incredible students and faculty for their hard work and dedication in making the LCHS Career Academy's Heart & Reels event a success! Raising awareness, promoting respect. 1 in 3 teens experience some form of dating abuse, but together, we can break the cycle. Our LCHS students are taking a stand against teen dating violence—because everyone deserves a safe and healthy relationship.

Congratulations

A circular inset photograph of Clay Medina, the LCMS Head Baseball Coach, holding a framed trophy on a baseball field at night.

We love celebrating perfect scores! LK welcomed families into Mr. Kimble's Culinary Arts class for a hands-on cooking experience! Together, they created delicious walking tacos while learning valuable culinary skills.

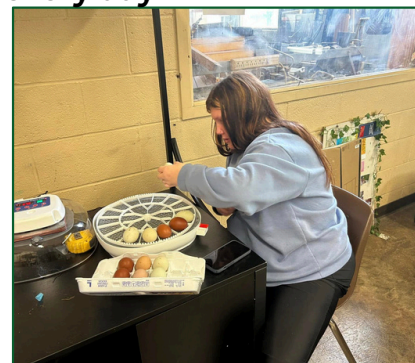

Reelfoot Lake State Park hosted an exciting assembly for MNES SWAG students!

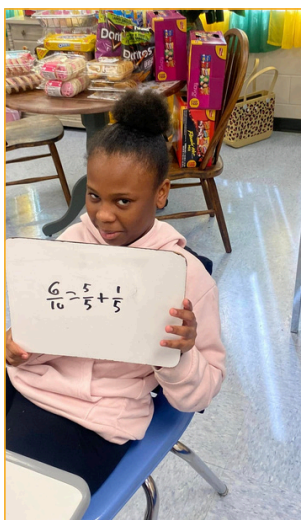

Lara Kendall students created Valentine's cards for local nursing home residents during today's House meeting! Our FFA students have been hard at work! They hosted a Super Bowl party at the Ridgely Nursing Home, spoke with 8th graders about the opportunities in FFA, and are tackling hands-on projects in the classroom every day..

LCCHS opened its Falcon Store, giving students the opportunity to redeem their hard-earned points. This initiative is an exciting part of our PBIS Rewards program, recognizing and rewarding positive behavior throughout the school!

2025 LCCHS Basketball Homecoming Court

Fourth graders are decomposing fractions!
