

Conyers Middle School

Art Club

- The purpose of the CMS Art Club is to allow for continued development artistic skills of dedicated students in the discipline of visual arts and prepare students for advanced opportunities in high school and beyond.
- The goals of the CMS Art Club are aligned with the National Junior Art Honor Society. Art club members will have opportunities to exhibit artwork, submit artwork for contests, and be recognized for their accomplishments in visual arts. Additionally, students will create a portfolio of work during the school year which can be submitted for middle school Honors Art in the spring.

Step Club

Join the world of rhythm and beats

While you use your heads, hands, legs, and feet.

The Step Team Club will get you in the groove

As you display your unique talent with every move!

Anime Club

The club allows for a space in which students with similar interests in anime and manga can come together to get to know each other and learn more about the genre of Japanese animation. Students will come together to either watch anime, read manga, share art, or partake in various activities.

Board Games Club

Board Games Club aims to promote board games as an activity that boosts strategic thinking skills and social interaction. This club is a platform for students with a common interest in board games to come together to have fun and to build relationships.

ENJOYMENT ... EXCELLENCE ... RESPECT ... PARTICIPATION

Basketball Club

The basketball club is a sporting club that provides students with the opportunity to embrace and participate in the game of basketball.

This club is committed to providing students with a supportive environment that promotes positive social and sportsmanship responsibilities including respect, fair and disciplined play and good sporting practices.

Jr. Beta Club

Once you become a member, you will be given the opportunity to attend meetings, participate in fund raising and service projects, and possibly attend the convention. All cannot attend the convention; remember we take the members with the highest service points. Points are accumulated on an individual and group basis.

Card Games Club

This club is dedicated to learning and playing all sorts of card games. You will learn and play new games such as Bridge, Rummy, UNO, Spades, Go Fish as well as some of our own creations! We will also have friendly competitions, so choose this club to have fun!

Chess

Chess Club

Play chess? Want to learn? Whether you are a master or just learning the moves, check out Chess Club. The goal is to learn and to have fun. Individual or simultaneous. Untimed or speed. Maybe a bit of Chinese chess, shogi, or bug house, too. We've got boards, pieces and clocks. Or bring your own. It's your move!

Civil Air Patrol Club

CAP offers schools an exciting form of character education that uses the students' enthusiasm for aviation, space, and technology as a motivator. Conyers Middle schools find that the challenge of cadet life provides the structure early adolescents need. A middle school CAP squadron can be a great complement to a high school JROTC program.

Cheerleading Club

Cheer Club is designed to give students the opportunity to learn dances, cheers, chants, and cheering athletic activities.

Dance Club

Dance club is dedicated to learning about how to dance. The club also does not only focus on one style of dance but instead rotates learning about different styles, such as jazz, ballet, hip hop and more.

Culinary & Pastry Arts Club

Culinary & Pastry Arts Club is a fun club for students who are interested in cooking and baking. While also learning and enhancing the art of cooking.

Culinary & Pastry Arts Club members will learn the art of pastry, culinary, and grilling.

Join today if you are ready and excited to make life delicious!

Debate Club

The debate club is a great place for students to explore the art of "organized arguing." You will enjoy discussing current issues. You will learn to use your voice and good presentation skills, in a fun, safe club environment. Students learn to create factual/logical, ethical and emotional arguments to persuade others in the club that their "side" is correct.

Drama Club

Drama Club is designed for students interested in learning more about the aspects of theater. This includes learning stage terminology, working on acting skills, set building, and costumes/makeup design. Drama Club is open to all students

life is all about drama
so, why not join the club

DRAMA
CLUB

F.B.L.A. Club

FBLA inspires and prepares students to become community-minded business leaders in a global society through relevant career preparation and leadership experiences. You will focus on leadership development, academic competitions, educational programs, and community service.

Football Club

Football club will teach students about sportsmanship, teamwork, honesty, responsibility, self-discipline, positive aspirations, academic preparedness and confidence. You will learn positive lessons, such as playing by the rules.

Fashion Forward Club

Focuses on Cricut t-shirt design, customization of sneakers, canvas totes, etc. and all things fashion.

Garden Club

Focus on the beginning and maintenance of a school garden where students will reap the benefits of being able to harvest what they grow while learning about the field and careers of agriculture and farming.

Gaming Club

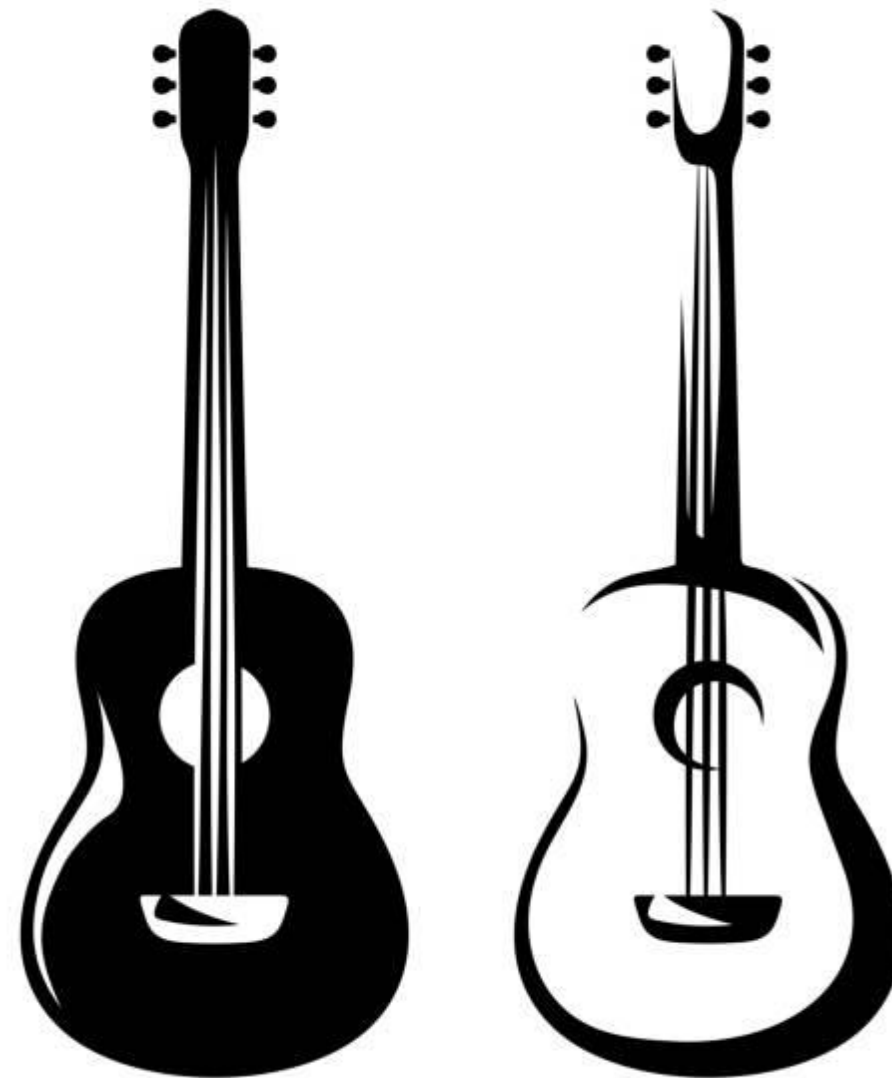

The gaming club will help to promote social emotional learning through gaming. We will create safe spaces for students to forge friendships and practice SEL. This club will encourage STEAM Aspects of gaming culture and help to prepare students to be college or career ready.

THE GLEE CLUB

Glee & Guitar Club

This club is for all 6th-8th grade students interested in choral singing/playing the guitar.

Ladies of Distinction

This club will serve girls in 6-8

Objective: To assist adolescents in the foundational skills needed for them to develop and grow into successful young ladies.

Rationale: In order to develop strong social skills, a solid foundation in good manners and proper etiquette is key. It is important for students to learn how to get along positively with others as well as show respect when they interact.

Men of Distinction

This club will serve boys in 6-8

Objective: To assist adolescents in the foundational skills needed for them to develop and grow into successful young men.

Rationale: In order to develop strong social skills, a solid foundation in good manners and proper etiquette is key. It is important for students to learn how to get along positively with others as well as show respect when they interact.

Math Games

Math Games Club

This club will play both digital math games and math-based board games. This club will help you to develop your mathematical reasoning and promote collaborative and competitive learning.

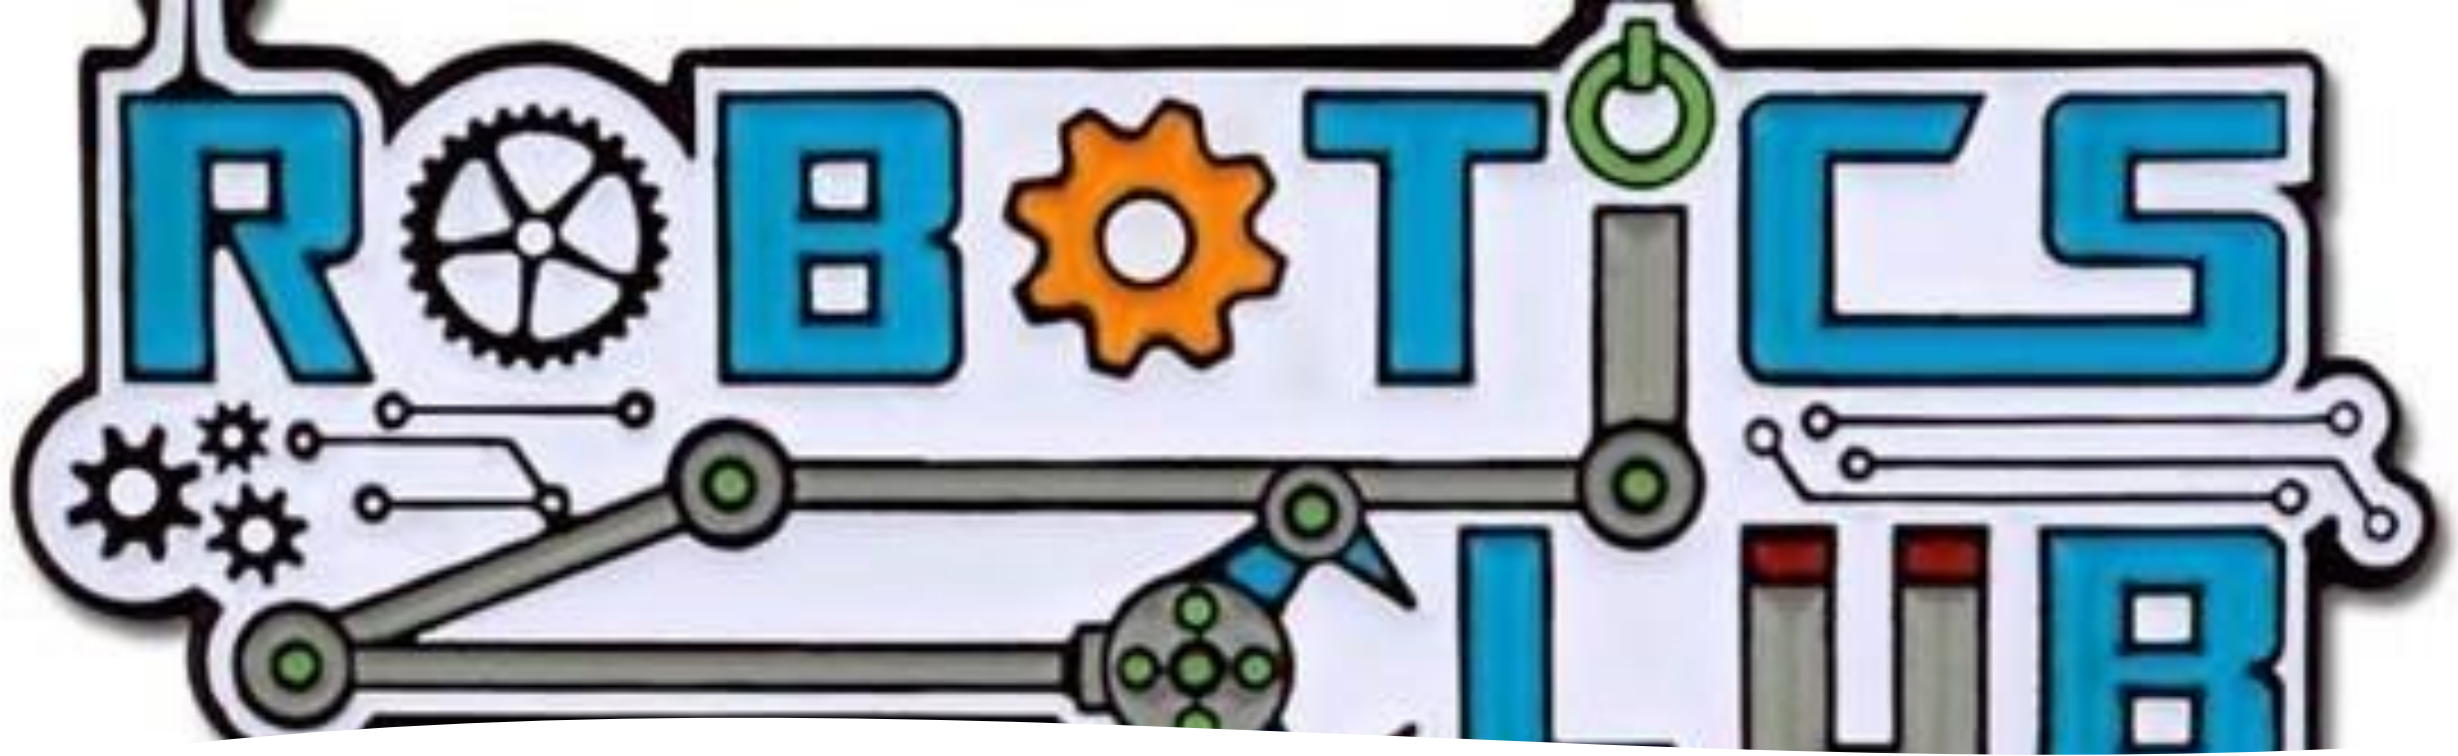

National History Day

Students will create a project based on the NHD theme, "Turning Points in History", and will present their project in either a paper, exhibit, documentary, performance, or website. Their project will be entered into the school and regional competition.

NHD

NATIONAL

HISTORY DAY®

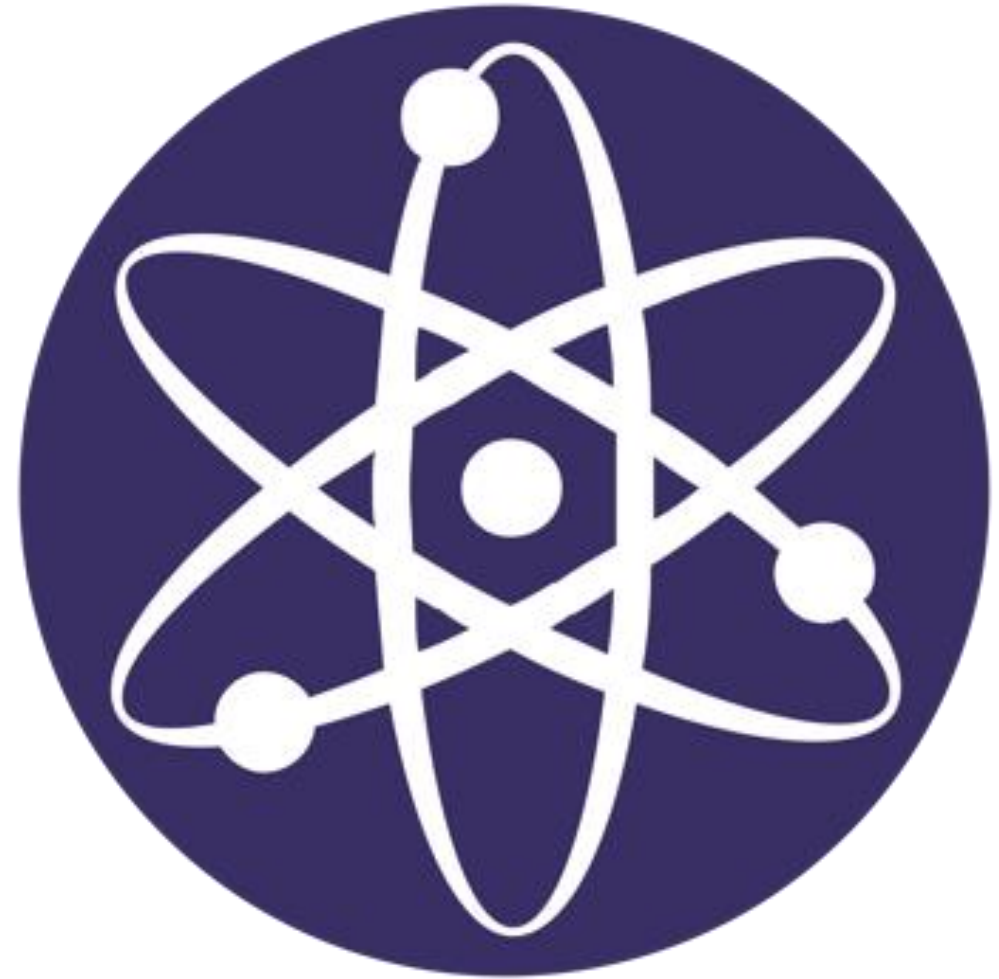

Robotics Club

The Technology Student Association (TSA) is a national organization of students engaged in science, technology, engineering and mathematics (STEM). Members learn through exciting competitive events, leadership opportunities and much more. The diversity of activities makes TSA a positive experience for every student. From engineers to business managers, our alumni credit TSA with a positive influence on their lives.

Science Club

The Science club will help students in the scientific thinking process and also to develop a scientific and rational attitude. The Science Club will be a club for students who are interested in science to learn about all scopes of science from medicine to chemistry to physics to the environment. We will discuss how to use this conceptual basis for applications in the real world.

Science

Six Pillars to Success

The Six Pillars of Character is a framework for teaching good character and is composed of six ethical values (characteristics) everyone can agree upon: Trustworthiness; Respect; Responsibility; Fairness; Caring; and Citizenship. Each of the six character traits are used within our CHARACTER COUNTS! Program will help instill a positive learning environment for students and a “culture of kindness” making schools a safe environment for students to learn. The Six Pillars of Character values are not political, religious or culturally biased.

Soccer Club

This is a free-play opportunity for all students to come and enjoy playing the beautiful game of soccer. In the soccer club we will work on conditioning and teach basic skills.

Softball Club

The softball club will help students to learn the necessary skills for an athlete involved in softball: running, catching, hitting for power, throwing, and hitting for contact. These skills are often referred to as the five tools because these are the five things that scouts and coaches look for in softball players.

Spanish Club

The main objective of the club is to provide the opportunity for members 6th through 8th to speak Spanish and to increase their knowledge and awareness of the Spanish-speaking world. The Spanish Club allows its members to learn more about the Hispanic culture and Spanish language, get students involved in Spanish activities, and have fun. The diversity of the club events is to be both fun and educational while encouraging its members to not only learn the Spanish language but also the Hispanic culture.

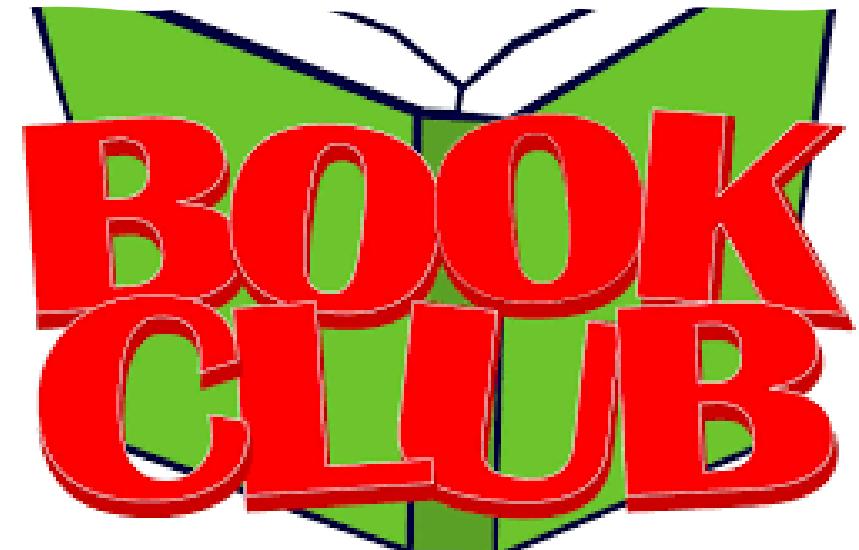

Student Council

Middle School Student Council provides leadership opportunities for interested students. Student Council members represent middle school students and promote the core values represented here at CMS. Members respond to student issues and create student activities that promote enthusiasm and school spirit, building a community where each member and their constituents are valued and respected. Student Council members work with students, faculty, staff, parents, and administrators to make things happen in a timely manner.

World in Words Book Club

Join our vibrant book club where literary enthusiasts come together to explore the world of words and stories. We select a diverse range of books, from classic novels to contemporary bestsellers, non-fiction works to fantasy epics. Our discussions are engaging and insightful, providing a platform for members to share their perspectives, interpretations, and emotions stirred by each book.

Yearbook Club

Yearbook Club is a fun club for students who like photography, working on the computer, and layout design. Yearbook members have an important job for the school in publishing and selling a product that they are responsible for creating.

YEARBOOK
