Facility Requests Moving Online!

Beginning March 3, 2025, **all facility/resource rental requests** for Conestoga Valley School District facilities must be made online. That's right, we're moving away from paper request forms!

All facility/resource rental requests must be submitted online via FMX. This includes requests from both internal (staff, teachers) and external (youth/community groups, etc.) parties.

- **Current Staff Members:** Log into FMX as you normally would when submitting a field trip or maintenance request.
- **External/Third Parties:** Visit conestogavalley.gofmx.com/, click on "create account," and follow the steps provided.

[Click here to view a short video on how to properly submit your request.](#) Please note: the option to select "schedule request" to submit a rental request as outlined in the video will not be available until the March 3 launch date.

Calendar Change

Spotlight On...

Due to the use of a snow day on Feb. 6, **March 13 will now be a FULL DAY** for students and staff and **March 14 will be an early dismissal**.

This week, we're spotlighting both a partnership and a new social media account!

SEEDS is a local organization dedicated to cultivating a healthy, thriving Conestoga Valley community.

This week, SEEDS - in partnership with CV - launched a new social media account called **The Basics**. The account is geared towards families with children from birth to age five living in our district. Families can learn about tools, opportunities, and resources to support vibrant learning and social & emotional development for their children.

CV Cares

CV Cares is a decades-old program designed to recognize CV employees who have gone above and beyond to make our students, parents and guardians, and

community members feel welcome and supported. The recognition could be for a single extraordinary event or an ongoing pattern of positive interaction and support.

If you have had the opportunity to be on the receiving end of this type of engagement, take a moment to fill out the **online form** to recognize that special educator. Remember, an educator is anyone who has the opportunity to positively impact the life of a child. As such, an educator can be a bus driver, secretary, custodian, teacher, cafeteria worker, school counselor, administrator, or any other support or professional staff associated with CV.
