Operated and managed by parent and community volunteers from the three towns, the group stages a musical comedy show in March, featuring performances by parents, students, administrators and the community members. This year's show, "The Show FLOW that Goes Wrong", will take place at Indian Hills High School on March 7-9. How can you help? The easiest way to support FLOW Follies is by purchasing an ad to be placed in our famous ad journal! Your business ad/logo will be viewed by Franklin Lakes, Oakland, Wyckoff and surrounding communities within our playbill distributed at each live performance, FLOW Follies social media channels, and website. Your sponsorship will aid our mission to award need based college scholarships to Indian Hills High School and Ramapo High School graduating seniors. Please note that all ad orders and artwork for the 2025 show must be received by February 1, 2025.
