Non-Public Title I Information

What is Title I?

It is a Federal program that provides funding for supplemental academic support and learning opportunities for children farthest from meeting challenging state standards.

As the largest federal program supporting elementary education, Title I is designed to:

1. Help children learn better in school.
2. Help teachers better understand the needs of students.
3. help parents become more involved with their children's education.
4. Help schools purchase the training supplies and equipment to reach its academic goals.

How Does My State And School District Receive Title I Funds?

Title 1 funds flow to states and school districts on a formula basis. The formula takes into account the number of low-income children and the statewide average per pupil expenditures. Resources within the state are targeted to the districts and schools with the greatest needs.

Who is Served?

Title I funds are used for intervention programs to serve any child with academic needs including English Language Learners, Migrant Children, and Homeless Children.

What Does Title I Funding Provide For Non-Public Schools?

The Hanover Area Non-Public Consortium provides the non-public schools with resources to help meet the high standards in reading:

- Direct services through certified reading teachers.
- Professional development for classroom teachers in literacy skills, writing skills, phonics, and fluency. Supplemental Materials.
- Collection and monitoring data for school improvement.
- Workshops for parents on reading strategies.

Principal Notes:

Principal's Notes

Our middle school community ended the year with so much to celebrate. The students and staff had a great time embarking on field trips, building memories, and pushing themselves to reach new limits. I am so thankful to our entire community for all their efforts to make BSMS a wonderful place to learn and grow!

Class Wars Finale

The PTSA planned an amazing event for students to celebrate the end of the school year. Throughout the month of May, numerous contests and activities were held in order for students to earn tickets for the Final Showdown Carnival. The PTO looped in a fundraiser to further create a competitive setting.

Students participated in carnival-style activities, played games, enjoyed the GLOW room, and enjoyed a picture craft station.

PBIS Update

Our PBIS framework proved to be great for our students and staff during this school year. Modeling our RISE behaviors, students received daily, weekly, and monthly recognitions for displaying the characteristics of Respect, Integrity, Self-Discipline, and Engagement. Recognition is given daily through our scan system where students detail their positive behaviors and an email is sent home to families alerting them. Using our tracking system, BSMS students received 7,083 scans this past year. In addition, over 250 students received weekly incentives as well as participated in our bigger monthly rewards as well. Our goal is to surpass that number for the 24-25 school year while keeping the fidelity of the framework intact and showcasing our RISE behaviors each and every day throughout the building.

Rita's treat celebration by PBIS Monthly award winners!

8th Grade Celebration

On May 29th, we treated our 8th Graders to an end-of-the-year event. Students were able to race through an obstacle course, enjoy a water slide, and enjoy spending time as a class prior to heading to the high school.

The hamster wheel snow cone machine was a hit with the 8th graders!

We couldn't be more proud of this class and all that they accomplished during their tenure at the middle school. Best of luck at the high school, and we are excited to see all your future successes!

Principal Notes:

Principal Notes:

Adrienne Henck stated, "When students can feel a sense of belonging, they feel as though they can make a difference in their world." This is incredibly obvious at BSES! The educational learning community the staff has created for our students demonstrates empowered learners and innovative thinking daily and I am incredibly proud to be a BSES Eagle.

Additionally, the warm welcome I received from all staff, parents, and students has been overwhelmingly wonderful. I truly want to thank everyone for their kindness, but most of all, I am appreciative of the incredible support I have received from Dr. Hotchkiss, Dr. Myers, and most of all, from our assistant principal Mr. Murphy. Mr. Murphy has done a tremendous job leading BSES this year and I am honored to collaborate and partner with him for years to come.

BSES PTO

WOW! What an incredible job done pulling off an amazing 4th-grade picnic that will definitely be remembered by all. The students enjoyed face painting, bouncy houses, water slides, field games, a DJ, and some wild and crazy dancing sharks!

BSES PTO also donated flowers to all 4th-grade students to share with their teachers as they completed their final "walk" of elementary school. There was not a dry eye at BSES that day! 4th graders - We can't wait for your Senior Walk in 2032!

House Palooza

BSES SWPBIS is a multi-tiered framework that enhances a positive social culture for all, while also providing the behavioral supports needed to improve social, emotional, behavioral, and academic outcomes for all students. BSES's PBIS framework includes all students in K - 4 being placed in a "House Color" where each grade level house meets monthly to provide lessons on a variety of SOAR values. Throughout the year a variety of challenges are presented to earn House Color points as a team. The most impactful contribution to the House Color Competition is run by our School Counselor, Mrs. Gelb, and her SOAR Ambassadors who collect all SOAR tickets per homeroom and categorize them by House color. Our House Palooza Culminating event brings together all students across all grade levels and they are celebrated for their incredible SOAR Success! Major kudos to Mr. Murphy and his SWPBIS team for all their hard work!

District General Fund Budget for the Fiscal Year 2024-2025

The final 2024-2025 General Fund Budget reflects a 3.6% tax increase. The millage rate for the 2024-2025 school year will be 13.3012.

The Act 1 Index is used to determine the maximum tax increase for each tax the school district levies (without PDE exception or voter approval) and the school board had previously voted not to raise taxes beyond the maximum adjusted index of 7.2% for the 2024-2025 school year. After reviewing multiple budget proposals, the school board is directors decided to utilize the following option which includes the following components:

Expenditures in the amount \$36,285,076 and revenue in the amount \$35,109,204 to include the following:

- Local Revenue - \$20,197,167
- State Revenue - \$14,471,331
- Federal Revenue - \$440,706
- Other Sources - \$0

Levy of the following taxes to realize the figures above for local revenue:

- Real Estate - 13.3012 mills
- Act 679 Per Capita - \$5.00
- Act 511 Per Capita - \$5.00
- Act 511 Earned Income Tax - 1.2%
- Act 511 Real Estate Transfer - .5%
- Act 511 Amusement - 5.0%

The school board of directors also adopted a resolution implementing the Homestead and Farmstead exclusion for 2024-2025 in accordance with Act 1 of Special Session 2006. This provides state property tax reduction use for Homestead Exclusions districtwide.
