December 2022

Dean's Message
By Vicki Helwick

Happy Holidays! As we celebrate many different holidays at this time of year, including Christmas, Diwali, Kwanzaa, Chanukah, and more, I look forward to the beautiful lights from outdoor decorations, candles in the menorah, and decorated trees. In this edition of our newsletter, we are taking the opportunity to shine a spotlight on our students and their activities this winter. Our students choose online learning for a variety of reasons, including being able to participate in these many extra-curricular activities. Enjoy our celebration of Seaview students, and enjoy your Winter Break. We look forward to seeing you in January!

Respectfully,
Vicki

Kaden D. took a lovely photo!

Edgenuity Progress over Winter Break

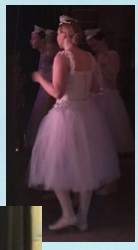

Over Winter Break, your Edgenuity courses will be open and you will be able to work on them. Teachers will not have to unlock tests for you to move forward. This means Winter Break is an excellent time to get caught up, or even to work ahead!

Remember, the semester ends at the end of January, which will be here quickly!

Seaview Students Make Us Proud!

Amalia B (left) and Izzy T (right) danced in Ballet Workshop's The Nutcracker.

Derrick K playing guitar with the PAHS Jazz Ensemble

On Dec. 2, 2022, several Seaview students worked together to design and decorate 40-plus holiday wreaths for St. Andrew's Place Assisted Living Community in Port Angeles. The students were from Mrs. Gochnour, Mrs. Cobb, and Mrs. Rhyne's classes, 4th grade-senior. Wanting to spread some holiday cheer, they donated the wreaths to the residents so they could enjoy them during this wonderful, winter season. The wreaths were delivered on Dec. 5 and each resident was able to choose their own wreath to hang on their walls or doors. Thank you to those students who were able to participate. Your act of kindness will bring smiles to many people.

Mrs. Rhyne's Calligraphy Class created cute winter gnomes!

ORCA Students Having Fun!

Senior Specific

Seaview seniors - one of the graduation requirements is completing your High School and Beyond Plan. Jason Gooding, our counselor, has set up a Google Classroom you can join to work on this document. Please join at: https://classroom.google.com/c/NTY5MzI5NzA5ODY3?cjc=of4ylgc

The joining code is *of4ylgc*

Have a terrific Winter Break and Happy Holidays!
