Principal's Message
By Mace Gratz

Hello Seaview Families,
Seaview students, families, and staff have worked hard these past few month and I, for one, am glad we are all headed toward a well-deserved break. I know how much time and energy our teachers and staff put towards our students at Seaview Academy. However, I think it is often underestimated how much extra independence and self-motivation a student needs, alongside the additional support and guidance a family invests, for our children to be successful in their online learning journey. So, thank you for all for care, energy, and time you put towards each child's learning. And as the holidays approach I hope everyone is able to take some much needed time off to be with family and friends . On this note, I hope everyone's families have a restful and rejuvenating holiday season, and a chance to recharge before the New Year. Happy holidays, be well, and stay warm in the months to come.
With Respect,
Mace

Calligraphy Class

Mrs. Rhyne's Calligraphy Class Is all about the art of beautiful writing. We cover 3 different calligraphy styles in a semester while the students can earn .5 Fine Arts credit.

So far, we have been learning how to write Roman and Rotunda calligraphy styles. In December, we will learn Uncial, a 1500 year old book hand that was used for copying books. In January, we will introduce Gothic Calligraphy. Mrs. Rhyne gives her students handouts with instructions for writing each letter (which is called the ductus.)
The students can be creative by adding art projects to go with their calligraphy writing! Class time is spent learning the letter formations and practicing them.

The class has a limited number of 11 students, grades 9-12.

ORCA PROGRAM

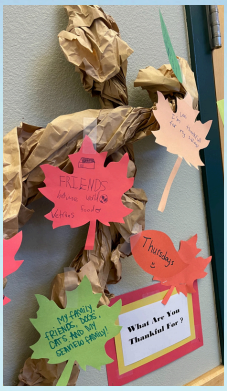

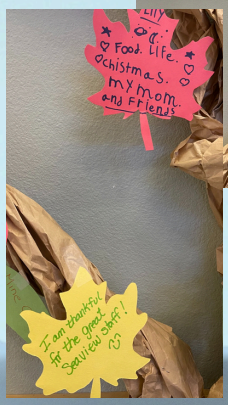

ORCA Program students painted poppies in honor of Veterans Day.

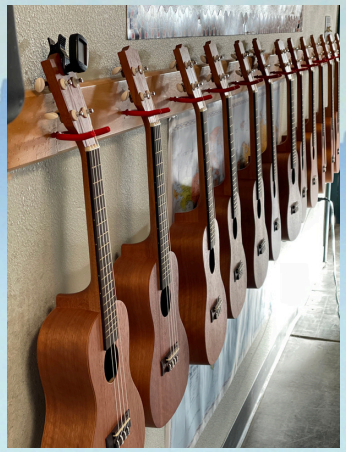

The Seaview Learning Center is a busy place. ORCA Program students are here on Thursdays, and Ms. Tamas' Lincoln High School art students make use of the space on a regular basis. We recently added a set of ukuleles and Mrs. Helwick will start teaching ukulele to groups of students. We are so thankful for all of our Seaview families, students and staff!

Introducing Virtual Offices Hours :

Starting Wednesday, November 9, 2022 from 2:00 p.m. to 3:30 p.m. I will be holding virtual office hours for grades 9-12 on the 1st and 3rd Wednesday of the month and for grades K-8 on the 2nd and 4th Wednesday of the month via the Google Meet Link - which can be found to the left of this page, just under the banner or by clicking this link:

https://meet.google.com/obh-janp-ysx

This is an open invitation for our Seaview students and families to meet with me to discuss topics such as College and Career Planning, overcoming barriers to academic success, Graduation Pathway options, Running Start, High School & Beyond Plan completion support, and FAFSA completion support just to name a few - I look forward to supporting our Seaview Academy students and families in this way!

Senior Specific

Seaview seniors - one of the graduation requirements is completing your High School and Beyond Plan. Jason Gooding, our counselor, has set up a Google Classroom you can join to work on this document. Please join at: https://classroom.google.com/c/NTY5MzI5NzA5ODY3?cjc=of4ylgc
