

Seaview Academy

SUMMER 2024 NEWSLETTER

LETTER FROM THE DEAN

Dear Orca Families,

We are almost to Spring Break and our students and staff have been busy at Seaview Academy! We have seen enrollment increase from students locally and across the state and we appreciate the opportunity for our Port Angeles teachers to support a diverse and amazing group of learners. Besides our online programming with Buzz and Edgenuity, we host morning elementary session on Wednesday and Thursday, have a variety of personal pathway courses like fiber arts, calligraphy, music, and writer's workshop on campus. Also, have opened our afternoon tutoring center to all secondary students since the beginning of the year.

For many of our Seaview kids, we've been able to provide a remote learning experience where they are engaged with high caliber educators in a flexible environment. What we see and love about our Seaview family, is that our students become independent and persistent as they pursue their educational goals. We are also able to see how parents and community step in to support them in their personal and academic growth.

Next week is spring break. So, I hope everyone has a restful and fun time before we start the home stretch to summer. When we return, Seaview staff will be focused on making sure everyone has a strong finish to the 2024 school year.

Best Regards,
Mace Gratz
