Seaview Open House

The Seaview Academy Open House was a great success! Thank you to everyone for your patience as Mace Gratz, our chief cook and principal, cooked burgers and hot dogs in the kitchen of Lincoln Center. They were delicious!

Thank you also to Kaitlin Smithson and Janie Rhyne for keeping things going in the Seaview Learning Center. So many local businesses and citizens supported us with door prizes. Please say thank you the next time you shop at one of these businesses.

We hope to have more in-person events and would love to have as many families join us as possible! It takes a village to make a school.

Door prize donors
Shore Aquatic Center
Dominoes Pizza
Swain's
Sun Basin Theaters
Laurel Lanes
Exquisite Reflection Detailing
Edgenuity
Port Book and News

Thank you for your support of Seaview Academy!

Message from a Mentor

By Vicki Helwick

As I start my third year at Seaview Academy, I am still amazed at the flexibility and breadth of this program. We have had students from Kindergarten through 12th grade (and super Seniors!). We have graduated 2 classes of seniors. We have a staff that is the best to work with, and is truly in it for the students. We are using a Learning Management System, Edgenuity, that is willing to listen to our suggestions, make changes, and allows for customization so we can best meet the needs of our students. I am so fortunate that I get to work here!

On top of that, we have some great families that we work with. Parents support their students. Students who support their siblings. And students who support their friends. It is always a treat to see some of our students in the Seaview Learning Center, whether for a class, Tutoring Time, a meeting, or to hang out.

It is also amazing to hear about all of the activities our students are involved in. We have students in dance classes, horse back riding and training, BMX racing, swim team, cross country, orchestra, band, choir, football, volleyball, and the list goes on.

I look forward to another great year with our Seaview students, families and staff. Keep up the great work, and let us know what you have going on in your life. Maybe you will be featured in a future issue of this newsletter!

CEE Student Wellness Survey

On Monday, October 16th, all Port Angeles School District student in grades 3-12 will receive a link to the CEE Student Wellness Survey in the school district gg account. The survey will be open until Friday, October 27th.

Each student receives a unique link, so a link cannot be shared here. Please ask your Seaview student to check their email for a message from surveys@effectiveness.org
The information collected from this survey allows our district to provide even more intentional support services to our families.

If you have questions about this, please contact

MAP Testing

Thank you to all of our K-9th grade families who were able to complete MAP Testing during the past two weeks. It came up very quickly on the start of the year. We will have two more MAP Testing windows:
January 8th to January 26th
May 20th to June 7th

SBA Testing will occur just after Spring Break, in April and May of 2024.

Students of the Month

Orca Academic Award

Víka Zaíchenko
Tyrney Grossell
Madison Mora
Valen Atwater
Ella Hollis
Everett Camp
Aíden Steward
Tate Alton
Judea Jeílo

Orca Effort Award

Emma Croteau
Demetrius Young
Izzy Roman
Kaleb Grooms
Sofia Ruíz
Vlad Podolschí
Alex Lowe
Tara Coville
Adeline Grubbs

Congratulations to all of our Students of the Month for your hard work and extra effort! We are so proud of you!

Fiber Arts Class

Vicki Helwick and MarySue French are teaching a class on Fiber Arts to some of our secondary students. We started with a field trip to Studio Bob for a fiber arts exhibition, and have learned needlepoint and wet felting so far.
