

**ALL CURRENT 8TH GRADERS & FAMILIES
ARE INVITED TO**

Roseburg High School

PRIDE Night

Light Dinner
5pm-6:45pm

WEDNESDAY, FEBRUARY 19TH

Doors open from 5pm-7pm

Please stop by and see all of the unbelievable course offerings RHS has to offer as well as our clubs and other opportunities! We will be showcasing everything from woods to cooking, ceramics to forestry, and beyond!

There are also RHS Counselors' Presentations
at 5:30pm and again at 6:15pm in the Media Center.
They share info regarding class registration,
graduation requirements, & academic plans.

a place of opportunity to attain
knowledge and become productive,
independent citizens who live P.R.I.D.E!

January 23, 2025

Dear Parents and Class of 2029,

As your eighth-grade student prepares for the exciting transition to high school, we want to ensure that this change is as smooth, stress-free, and enjoyable as possible. We understand that a student who feels connected to their school—whether through a program, activity, or teacher—has a far more positive and rewarding high school experience.

To help your student make this important transition, we are excited to invite you to our **PRIDE Night Showcase on February 19, 2025 from 5:00 pm - 7:00 pm**. This event will provide your student with the opportunity to explore the many fantastic programs at **Roseburg High School (RHS)** and to pre-register for the courses they'll take as freshmen. At RHS, we define our school culture by our PRIDE values: **Positive, Respectful, Involved, Determined, and Encouraging**.

Throughout the evening, you and your student will have the chance to meet with our school counselors for a presentation in the **Media Center**. On February 25th or 27th, eighth-grade students will visit RHS to select their ninth grade courses, but the PRIDE Night Showcase is the perfect opportunity to start planning. We encourage all families to attend one of our two Counselor sessions—**5:30 pm or 6:15 pm**—where we'll discuss the high school transition and guide you through the registration process.

An important part of this process will be selecting your student's "elective" courses. To support and inspire these decisions, our PRIDE Night Showcase will feature displays, hands-on activities, performances, and detailed information about the wide range of electives offered at RHS. From **technical programs** such as drafting, welding, business, agriculture, and culinary arts to our vibrant **fine and performing arts** offerings—choir, band, drama, ceramics, and more—you'll have the chance to explore the full spectrum of opportunities available. Additionally, we'll highlight our **World Language** options, **co-curricular courses**, and various **clubs**.

The event will take place across several locations at RHS, including the **Arts/Student Center Building, Media Center, and Career Technical Building**. To make the evening even more enjoyable, we'll be offering a light, free dinner in the Student Center between 5:00 pm - 6:45 pm, and there will be exciting prize drawings at the end of the night.

We strongly encourage you and your student(s) to attend this informative and fun evening. It's a wonderful opportunity to see all the exciting learning experiences that await at RHS and to begin shaping your student's high school journey.

If you have any questions or need further assistance, please don't hesitate to reach out to us. We look forward to seeing you at PRIDE Night!

Warm regards,

David Vickery
Roseburg High School

Positive. Respectful. Involved. Determined. Encouraging.
