Black History Month

February is Black History Month, a time to honor the achievements, resilience, and contributions of Black individuals throughout history. At BHS, we are engaging students in meaningful discussions, activities, and lessons that highlight the impact of Black leaders, innovators, and trailblazers. From classroom projects to schoolwide events, we encourage our students to explore the rich history and culture that have helped shape our society. Together, we can inspire understanding, appreciation, and a commitment to inclusivity.

Pops Concert

Well done, BHS band and orchestra students. Thursday night's pops concert was awesome, with amazing music and a little fun. Way to go Bulldogs!
