MILLSAP ISD
Your child. Their dreams. Our mission.

Week of: 02/16/2025

"The expert in anything was once a beginner" - Helen Hayes

A note from the principal:

Dear Bulldog Family,

Next week is the last week of this grading period. I realize that there have been connectivity issues with chromebooks at home. Please see below for directions in order to fix this problem. We believe that following these instructions should resolve the issue. I have also included some very important dates below. It is hard to believe we are already getting prepared for end of year activities, but ready or not, here they come!

PARENT ENGAGEMENT NIGHT

FEBRUARY 25TH

6:00 - 7:30 PM

MMS MEDIA CENTER

Our parent engagement night for February will be focused on MISD Priority 1.3. This priority falls under priority 1 - Student Excellence, specifically, producing Life Ready students focusing on the whole child/Student Engagement/Emotional Well-Being. While we are very much concerned with the academic progress that our students are making, we are also cognizant of the many benefits of providing students with Extended Learning Opportunities, and Engaging Activities that take their learning beyond the classroom. Please come and join us as some of our students demonstrate some of the knowledge and skills they are gaining beyond the core curriculum!

CHROMEBOOK CONNECTIVITY PROBLEMS

For any students who are encountering the permanent loading issue when they are using their Chromebooks at home, the fix is thankfully simple. All you need to do is:

- 1. go to the Chrome OS searchbar (the small circle at the bottom of the screen much like the Windows search option, not the web address bar within the Chrome browser) and**
- 2. click it. There should be an option to open the Play Store, which has the following logo.**

Once you have clicked this, the rest of the process should occur automatically. It will begin to download the necessary updates without any further input from you. All you need to do is wait a minute or two, then refresh the "Initializing" screen, which should disappear. If you have any further issues with this, or if this solution does not work, please inform your teacher so that IT can help you resolve the issue.
