Ms. Villaruz, Board President  
Delano Elementary School District  
1405 12<sup>th</sup> Ave.

Dear Ms. Villaruz:

We have received the District Analysis of the Proposed Collective Bargaining agreement with the district's Certificated group from your administration in accordance with AB1200 (Statutes of 1991) and Government Code section 3547.5 which will be considered during the October 3rd, 2022 meeting of the Governing Board. The proposed agreement will be effective July 1, 2022 through June 30, 2023.

The impact to fiscal year 2022-23 will increase total compensation from current (45-Day revision) budget by \$1,725,946. This agreement increases the salary schedule in the amount of \$2,775,704 or 8.25% and statutory benefits cost by \$574,662. A one-time off-schedule increase of \$336,449 or 1% per member is also given. There is an increase to health and welfare plans this year of \$659,280. Based on the latest approved budget the district does maintain the appropriate reserve for economic uncertainties in the general fund.

District-paid pension costs to STRS and PERS will continue to increase for the next several years. This, combined with the possibility of a slow-down in economic recovery, creates an environment of caution for school districts when considering bargaining agreements.

We hope this information proves useful to the Board in its deliberative process and we thank the administration for its submittal of the fiscal impact of the proposed agreement.

Sincerely,

Mary C. Barlow  
Kern County Superintendent of Schools
