

The Purpose of this Addendum is to **provide questions and responses to RFP YR-207895 Conveying Systems and Wheelchair Lift Inspections**

1. Is it the responsibility of the awarded vendor or the district to place the certificates of compliance? **Dallas ISD will post the certificates.**
2. Does “certificate of inspection” refer to the same thing as “report of inspection”? **Yes.**
3. Are you still using FC Background, or have you switched to Rapid? **Dallas ISD no longer uses FC Background. All vendor identification badging is now handled by our Vendor Management Department. Please use the following link: <https://www.dallasisd.org/departments/procurement/doing-business-with-dallas-isd/background-information>**
4. Does anything need to be written in the proposal after the word “type”? **Nothing needs to be added under the word “type” unless you have additional comments related to the question.**
5. What does the trip charge refer to? **The trip charge covers the cost of assessing the unit on-site.**
6. In the pricing scenario, it is not feasible to complete 23 elevators in one day. **The pricing scenario will now read as follows: 8.01 Annual Inspection cost for 1 elevator in one day, including the trip charge.**
7. What is the number of hydraulic, traction, and wheelchair lifts in Dallas ISD? **Please refer to the attachment below for the details on the number of hydraulic, traction, and wheelchair lifts in Dallas ISD.**
8. Do any of these require a five-year inspection? **Yes.**
9. Will inspection be conducted during the summer? **Inspections will be conducted year-round.**
10. Section 5 of the proposal specifications states that the elevator company has a five-day turnaround to provide certificates. Since TDLR certificates are about nine months behind and are mailed directly to the properties, will a sticker indicating that the inspection has been completed suffice until the certificates arrive? **Yes.**
11. Section 8 of the proposal specifications states that the certificates of compliance must be posted by the awarded vendor. Since the certificates are mailed directly to the properties, will the customer notify us when they receive them so we can post them on their behalf? **Dallas ISD will post the certificates.**
12. Are there any costs associated with posting the certificates for the district to be included or excluded? **There is no cost associated with this task.**
13. If any damages occur during the inspection, who is responsible for the repairs? **The vendor and the inspector are responsible for the repairs.**
14. Will the current provider handle the repairs? **Yes, the current provider will perform repairs.**
15. In the electronic bidding format, can you save your progress and return to it later? **Yes, there is an option at the top that says “save draft”**
16. Will you be able to negotiate pricing if you are awarded a renewal after the 3-year contract? **Yes. Please refer to the Terms and Conditions regarding price adjustments.**
17. Are the insurance requirements for Dallas ISD available in a document or somewhere? **Yes, they are in CHE Regulation. Please use the following link: [CHE Regulation Link](#)**
18. Where can I find the attachment with the Dallas ISD sample quote and sample invoice? **Please refer to the attachment below for the details on the Dallas ISD sample quote and sample invoice.**
19. If your WBENC certification is in the renewal process, should you submit your application as a member? **The prosper must be currently certified. If the certification is not current, no awarded points will be allocated.**
20. If you don’t utilize subcontractors, will you lose the 2 points for an M/WBE reference? **No. The M/WBE reference are separate from the subcontractors utilization.**

The information in this Addendum is hereby incorporated and made part of any contract awarded pursuant to this solicitation.

**Please sign this addendum and submit along with your copies of the proposal. ALL OTHER PROVISIONS, AND OTHER TERMS AND CONDITIONS REMAIN UNCHANGED. BIDDERS ARE REQUIRED TO ACKNOWLEDGE AND RETURN/SUBMIT A COPY OF THIS ADDENDUM WITH THEIR PROPOSAL.**
