PUBLIC HEARING

1. Public Hearing to discuss the 2024-2025 Budget and Proposed Tax Rate

Tony Kingman, Chief Financial Officer, was called to present and answer questions related to this item.

CITIZENS TO BE HEARD

Tom Cummins, AFT Representative, addressed the Board regarding the budget agenda item and asked for consideration of a TRE.

TEA REMARKS

Dr. Abe Saavedra, TEA: Mr. Lopez, Members of the Board, first of all congratulations on the successful start of another school year. I congratulate of course the Board, the administration, the school staff, the teachers and everybody. You had a very successful Convocation, I attended that, it was a great way to start off the school year. I also congratulate the re-elected board members that are returning. I think that the fact that no other individual challenged incumbent board members suggests that the community is satisfied with how you are dealing with the school system and decision you're making and so forth. It could also communicate lack of involvement on the part of your community. So I would encourage the board to consider that so that in future elections there's a stronger effort made to bring the community in. We had talked about it one time, you may recall, to have information meetings. A democracy works when the community is involved and so I would encourage you to consider that. Also, congrats on what seems to be a balanced budget that you will adopt later tonight. It's one of the requirements that TEA had put out there as well as a 3-month fund balance which seems to be in place as well so things seem to be going well, always room for improvement but things seem to be going well at this point. Thank you.

SUPERINTENDENT'S REMARKS (NO ACTION / REPORT ONLY)

Henry Yzaguirre, Superintendent of Schools, addressed the Board and audience, he congratulated all staff on the good start this school year. He informed that our athletics are underway. He acknowledged that it is hot outside and he said that precautions are being made to keep students and staff safe. He stated that we are monitoring and participating in CPS curtailments and advised that we do not shut down during

the school day. He congratulated Mr. Gutierrez and his operations team certain for their response when needed. He discussed attendance, stating that last year on school day 8 we had 7,254 students and this year day 8 we had 7,326. The Superintendent recognized HR as they put in a lot of time and effort this summer. He recognized Mr. Gutierrez's and Mr. Rocha's staff for getting the schools ready for the year, and he recognized the Board completing their Head Start governance training.

BOARD PRESIDENT'S REMARKS (NO ACTION / REPORT ONLY)

Manuel Lopez, Board President, addressed the Board and audience regarding having an excellent year last year and stated that he expects better this year. He congratulated Mr. Flores, Mr. Araiza and Mr. Arrellano as well as Gonzalez for being unopposed. He stated that we have hard working people in our area.
