

February

A month of heroes & history

Engaging in important information from our past

Black History Month

All classrooms will be diving into learning about the achievements and contributions of African Americans, recognizing their vital role in shaping America's history and culture. First grade's social studies curriculum has covered important figures like Martin Luther King Jr., as well as local famous Virginians such as Arthur Ashe & Maggie L. Walker!

President's Day

Unionville students will also be participating in activities to celebrate our presidents, like George Washington and Abraham Lincoln. Fast fact: Eight U.S. presidents have been from Virginia, more than any other state!

George Washington Fun Facts:

GEORGE WASHINGTON WASN'T JUST THE FIRST PRESIDENT OF THE U.S., HE HAD MANY OTHER ACCOMPLISHMENTS BEFORE THIS, RIGHT HERE IN VIRGINIA!
