

CMS Online Textbook Codes 2016-17

As RCPS strives to create 21st century learners, all of our textbooks are now located online. Students will use print AND online textbooks at school, and will also be issued workbooks in some classes. We encourage you to try out the online textbooks with your students. Access codes for online books may be updated throughout the year; please check the CMS website, ask your teachers, or email Mrs. O'Kelley (jokelley1@rockdale.k12.ga.us) with questions.
