 - d. Counselor Updates
 - i. LHS: At the high school we are continuing to use the DESSA Great 8 to choose our students and staff of the month recognition category. We just recognized 8 students and 1 staff member who exhibit resiliency in December and then in January individuals described as loyal. We have scheduled a couple of presenters to come and speak to our student body later this month about the harmful effects of vaping and inform students about domestic violence and abuse. It is through presentations such as these we hope to impact the overall safety and wellbeing of the high school student body and provide resources for times of need.
 - e. Nurse Updates
 - i. 5th Grade Scoliosis screenings will be March 13, 2025.
 - f. Special Program Updates
 - i. Continued disability awareness.
 - ii. Probable posting for a new counselor.
 - g. HOSA/FHP Updates
 - i. This weekend our Lumberton HOSA Chapter competed in Area 6 competition in Houston. Our school was recognized for achieving the highest donations in fundraising while at the conference, which resulted in the spirit stick and certificate. Our amazing members did an outstanding job in

their events. Congratulations to Ronald Stubbs who placed 2nd in Medical Law and Ethics and advanced to State Conference in Round Rock. We are so proud of our HOSA Team!

- ii. Our Spring Blood Drive with Life Share is coming up on Wednesday March 5 from 8-3 in the PAC.
- iii. Our Senior Practicum Students just completed their Baptist Orientation and have started clinicals on Tuesdays and Thursday mornings. The students are preparing and studying for their upcoming certification test in May.

h. Healthy Habits Updates

- i. Hygiene Education: Recently welcomed 150 new 6th grade students and covered essential hygiene topics, including bathing, hair care, dental hygiene, deodorant use, laundry, and head lice prevention. To reinforce learning, students participated in a drawing for hygiene baskets, with the most popular item being a shower scrub brush.
- ii. Personality & Social Skills: Students took an online personality test identifying them as various animals (e.g., otter, beaver, owl, elephant, etc.) to explore how different personalities interact within families and friendships. The goal is to develop strategies for getting along with others and improving social skills.
- iii. Kindness & Manners: Engaging in random acts of kindness by creating and sharing items across campus. Also implementing a "Manner of the Day" initiative for students and families, which has received positive feedback.
- iv. Grant Opportunities: Seeking recommendations for grants to help provide hygiene items for students in need. Any suggestions would be greatly appreciated!
