9th Annual Saints at Sunset Crawfish Boil

Friday, April 11, 2025 • 5:00-8:00 p.m.

St. John Paul II Catholic School • 1400 Parkway Plaza Drive • Houston, Texas 77077

Dear Friend,

We cordially invite you to participate as a sponsor of the 8th Annual Saints at Sunset Crawfish Boil. Annually in the spring, St. John Paul II Catholic School (StJP II) hosts a “Saints at Sunset” Crawfish Boil. Attendees purchase tickets to attend this fun fellowship gathering for the StJP II community. This casual, family-style event features a delicious dinner, entertainment and games. Every year, this event becomes the social focus of our calendar, and in 2023, 800-1000 students, parents, friends and extended family are expected to attend.

Who We Are:

StJP II is an independent Catholic school located in West Houston near Briar Forest and Eldridge. Our school is a registered, non-profit corporation in the state of Texas with a corporate Board of Directors. StJP II is committed to focusing on traditional Christian values while promoting academic excellence. We are dually accredited by the Texas Catholic Conference Education Department, a division of the Texas Education Agency, and AdvancED, and a three-time recipient of the National Blue Ribbon Award by the US Department of Education, the only Houston elementary school with this distinction.

How You Benefit:

This event is possible and successful thanks to the generosity of our sponsors. Marketing materials will be seen by over 2,000 people in the StJP II community. StJP II families who live in Houston’s Energy Corridor and Katy, TX make up 75% of the school population. The remaining 25% percent commute to the school from Cypress, Fulshear, Richmond, Sugar Land/Missouri City, Champions and even The Woodlands. Event sponsors are featured on StJP II’s website, Social Media, and other event materials. Sponsors are also featured on the school’s marquee, which is prominently located on Parkway Plaza Drive, a neighborhood through-street which reaches thousands of Energy Corridor residents on a daily basis, including traffic from adjacent Barbara Bush Elementary (850+ students enrolled) Kindercare daycare center, as well as nearby West Briar Middle School and Westside High School.

StJP II seeks corporate underwriters to offset the cost of the “Saints at Sunset” Crawfish Boil as detailed on the next page.

If you would like to sponsor this event, please complete the form online at www.JP2.org/crawfish. If you have any questions, please email Communications@jp2.org.

Thank you for your consideration,
