Gettysburg Area High School

Internship, Transition to Work, & Teacher Assistant

Looking to snag some credits while raking in the dough and gaining real-world experience?

Transition to Work

12th graders can score some real-world experience with a Transition to Work (Co-op) gig off-campus and earn one credit all while making money!

Internship & Teacher Assistant

11th and 12th graders, listen up! You can snag an off-campus internship or become a teacher's sidekick that aligns with your dream job. Not only will you score some epic experience to help map out your future, but you'll also earn one credit in the process. How cool is that?
