First Report of Injury Review	Janel	Since this time last year there have been 27 reports of injury. Some were student interactions, 7 were slips, trips, and falls, although there are 5 separate categories of slips trips and falls. 14 out of 27 were bruises; 4 sprains; and then various others.	Prior year same period there were 31 reports, so this is a reduction. We will continue to review trends.	
New members		It is required that we have a school nurse on the committee.	Needs to be a balance between staff and administration. Nurses are attending other committees.
