

Addenda ISD 728 2025 Refuse and Recycling RFP

- Could we get a copy of the current agreement & rates? **Yes- It has been provided to the requestor. If other RFP participants are interested, please reach out to Anja.**
- Do you have a spec sheet of any container modifications that would be needed? **We don't have anything official but we are gathering the info from each building that has modifications and will share it when all responses come in.**
- Is the current hauler using a sub-contractor for any services provided? **No subcontractors are being used currently.**
- Are there any weekend services that would be required? **Yes, we will request dumpsters for large events and cleaning projects. Some will be on weekends.**
- In section 2.16, are we able to dump the Hennepin County locations (Rogers) at Elk River Landfill? We don't haul a lot of waste in Hennepin County to warrant us dumping at HERC. **Yes- That was from the last RFP and I actually questioned it and should have removed it. You can haul where you normally haul.**
- In section 2.14 "Special collection" for weekend events are we able to deliver Fridays & remove Mondays as needed? **Yes, that is acceptable.**
- If awarded the services, are we able to stage dumpsters in a centralized school parking lot prior to individual location delivery? **Yes, we can work with you on where the staging location will be located.**
- Is ISD 728 Tax exempt? **Yes, if awarded we can provide our ST3 form**
- We currently haul Organics for a school district in your area, is this something you would be interested in pursuing? **Yes, we would be interested in hearing more about it. Thanks**
